TERMS & CONDITIONS

Entire Agreement: This Landscape Management Agreement contains the entire agreement between the Parties and supersedes all prior and contemporaneous negotiations, promises, understandings, commitments, proposals, or agreements, whether oral or written on the subject matter addressed herein. This Agreement may only be modified or amended by a writing signed by authorized representatives of both Parties.

Acceptance of Agreement: The Agreement constitutes Yellowstone Landscape (hereafter referred to as "Yellowstone") offer to Client and shall become a binding contract upon acceptance by Client's signature on this Agreement and/or instruction to perform the Services by Client's authorized representative. The Parties agree that the provisions of the Agreement shall control and govern over any contract terms and/or Purchase Orders generated by Client and that such documentation may be issued by Client to, and accepted by, Yellowstone without altering the terms hereof.

Price, Quality, and Working Conditions: The amounts in the "Compensation Schedule" include labor, materials, insurance, equipment, and supervision for the performance of the specified Services in the attached exhibits. In the event additional fences, pools or other structures are installed on Client's Property during the Initial Term or any subsequent term of this Agreement, pricing will be adjusted to reflect those additional structures in accordance with the rates used for the Compensation Schedule. Pricing for flowers and mulch will be reviewed on an annual basis. Notwithstanding the foregoing or anything to the contrary herein, Yellowstone also reserves the right to charge Client additional charges for additional services provided by Yellowstone to Client, whether requested or incurred by Client, which may be agreed to orally, in writing or by other actions and practices of the parties, including, without limitation, electronic or online acceptance or payment of the invoice reflecting such changes, and written notice to Client of any such changes. Client's failure to object to such changes via written notice within 30 days shall be deemed to be Client's affirmative consent to such changes.

All materials supplied as part of this agreement are guaranteed to be as specified and all work shall be completed in a workmanlike manner according to standard landscape maintenance practices ("Warranty"). Unless otherwise stated in writing Yellowstone shall have the right to rely on the contents of all documents provided by Client and/or its agents, including, but not limited to, plans, specifications, and test results, without independent verification and analysis by Yellowstone. Client agrees that Yellowstone is not an insurer or guarantor of the appropriateness of any landscape design provided by others, or of the long term viability of plant material utilized within that specified landscape design or of the site constraints (including watering restrictions) under which Yellowstone is required to perform its Services. In no event shall Yellowstone guarantee or provide Warranty for any work or services provided by a third party.

Assignment: Neither Client nor Yellowstone may assign this Agreement or transfer any right, interest, obligation, claim, or relief under this Agreement without the prior written consent of the other party. Client acknowledges that Yellowstone may subcontract portions of the Work to specialty subcontractors.

Relationship of Parties: The legal relationship of Yellowstone to Client with respect to the Services shall be that of an independent contractor, not an agent or employee. Yellowstone is responsible for its own withholding taxes, social security taxes, unemployment taxes, licenses, and insurance pertaining to its employees or operations. If applicable, Yellowstone agrees to pay all sales taxes on materials supplied.

Agreement Renewal: Unless Client notifies Yellowstone regarding its intent to terminate Services prior to expiration of the "Initial Term", this Agreement will renew automatically for an additional twelve (12) month term and will continue to renew at the end of each successive twelve (12) month unless canceled by either party in accordance with the "Termination" provision or by either party with written notice of not less than 30 days prior to the end of the "Initial Term" or any automatic term(s). Charges will increase by 3.0% or the annual CPI percentage increase, whichever is greater, at the commencement of each additional automatic twelve (12) month renewal term.

Payment Terms: Billing for Services occurs in advance at the first of each month in accordance with the "Compensation Schedule" on the preceding page of this agreement. Payment for Service(s) is due upon receipt of monthly invoices. The Parties contractually agree that interest on all past due amounts shall accrue at the maximum allowable rate provided by law per month, beginning on the first day following the month in which the invoice was received. This Agreement constitutes a contract of indebtedness. Our preferred payment method is ACH transfer. If Client chooses to pay by check or money order, payments should be mailed to the address indicated on the invoice.

Termination for Cause: If Yellowstone fails to fully perform its obligations and fails to cure any such default within 30 days after receipt of written notice specifying the acts or omissions, Client shall have the right to terminate this Agreement. In the event of a "Termination for Cause", Client shall notify Yellowstone of the termination date in writing and pay Yellowstone for all Services performed to the effective date of termination.

Default: In the event that Client breaches its obligations under this Agreement to permit and cooperate with Yellowstone's performance of its duties or Client fails to make payment for any Services within 30 days of receipt of Yellowstone's invoice, Yellowstone may, but shall not be obligated to, suspend Services until the breach is cured and/or until all arrearages have been paid in full. This Agreement will terminate automatically and without notice upon the insolvency of, or upon the filing of a bankruptcy petition by or against Client.

Claims: Yellowstone's responsibility with regard to Services not meeting the "Warranty" shall be limited, at the sole choice of Yellowstone, to the re-performance of those defective Services and replacement of those defective materials without charge during the ninety (90) day period following completion of the defective Services or provision of defective materials, or a credit to Client's account of the compensation paid by Client for the portion of such Services determined to be defective. If the attached exhibit(s) expressly provide for a longer "Warranty" period, that "Warranty" period shall apply. The Parties shall endeavor in good faith to resolve any such Claim within 30 days, failing which all claims, counterclaims, disputes, and other matters in question between Client and Yellowstone arising out of or relating to this Agreement or the breach thereof may be decided by the dispute resolution process identified below. Each Party will bear its own costs, including attorneys' fees; however, the prevailing party shall have the right to collect reasonable costs and attorneys fees for enforcing this agreement as allowable by applicable law.

Jurisdiction: By entering into this Agreement and unless otherwise agreed the parties agree that the courts of the State of Florida, or the courts of the United States located in the Middle District of the State of Florida, shall have the sole and exclusive jurisdiction to entertain any action between the parties hereto and the parties hereto waive any and all objections to venue being in the state courts located in Flagler County (and agree that the sole venue for such challenges shall be Flagler County) or the Middle District of Florida, if federal jurisdiction is appropriate. Should the parties not agree on the State of Florida as the appropriate jurisdiction for legal challenges, the parties agree the state in which the job site is located will be designated as the appropriate legal jurisdiction for all legal disputes and challenges to the contract or the work related thereto.

Insurance: Yellowstone shall secure and maintain, throughout the performance of Services under this Agreement, General Liability, Employers Liability, Auto Liability & Umbrella Liability coverage, as specified herein:

- a. Worker's Compensation Insurance with statutory limits;
- b. Employer's Liability Insurance with limits of not less than \$1,000,000;
- c. Commercial General Liability Insurance with combined single limits of not less than \$1,000,000 per occurrence/\$2,000,000 annual aggregate;
- d. Comprehensive Automobile Liability Insurance, including owned, non-owned, and hired vehicles, with combined single limits of not less than \$1,000,000.
- e. Umbrella Coverage \$10,000,000 per occurrence/\$10,000,000 annual aggregate

If required in writing by Client, Yellowstone shall furnish Certificates of Insurance verifying such insurance and Yellowstone agrees to provide written notice to Client at least thirty (30) days prior to any cancellation, non-renewal, or material modification of the policies. When requested by Client, the original insurance policies required of Yellowstone will be made available for review.

Licenses: Yellowstone shall maintain all applicable licenses and permits within the cities, counties, and states of operation.

Indemnification for Third Party Claims: Yellowstone agrees to indemnify, defend, and hold harmless Client from and against any and all claims, losses, liabilities, judgments, costs and expenses, and damages and injuries to third parties ("Claims") arising out of or caused by the negligent act, error, omission or intentional wrongdoing of Yellowstone, its subcontractors or their respective agents, employees or representatives which arise from the performance of the Services or otherwise while present on the Property for the purpose of rendering Services pursuant to this Agreement. Client agrees to indemnify and hold harmless Yellowstone against any Claims based in whole or in part by the conduct or actions of Client. The indemnity rights and obligations identified in this Agreement shall be and are the only indemnity rights and obligations between the Parties, in law or equity, arising out of or related to Yellowstone's Services under this Agreement or any claims asserted in relation thereto.

Limitation of Liability: Except for the indemnification provision applicable to claims by third parties against Client, Yellowstone's total and cumulative liability to Client for any and all claims, losses, costs, expenses and damages, whether in contract, tort or any other theory of recovery, shall in no event exceed the amount Client has paid to Yellowstone for Services under this Agreement during the calendar year in which the claim first occurred. In no event shall Yellowstone be liable for incidental, consequential, special or punitive damages. Yellowstone shall not be responsible for any damage to structures, including, but not limited to, foundations, fences, siding, light poles, decks, signage, air conditioning units, lamp posts, curbs, or similar structures that do not have a minimum buffer of mulch, planting bed space, or other barren or unmaintained area of sufficient size to offer protection to such structures from damage from mowers, weed-trimming lines, or other maintenance equipment (if not otherwise specified and agreed, a minimum of 8 inches). Likewise, Yellowstone will not be responsible for any damage to any cables, wires, irrigation components, or similar items not buried to specification in the event they are damaged during the performance of the Services.

Indirect Damages: Neither Party shall be responsible to the other or to any third party for any economic, consequential, incidental, or punitive damages (including but not limited to loss of use, income, profits, financing, or loss of reputation) arising out of or relating to this Service Agreement or the performance of the Services.

Excusable Delays and Risk of Loss: Yellowstone shall not be in breach of this Agreement nor liable for damages due to (i) delays, (ii) failure to perform any obligation under this Agreement, or (iii) losses caused or attributable, in whole or in part, to circumstances beyond its reasonable control, including but not limited to: drought conditions, acts of God, governmental restrictions or requirements, severe or unusual weather, natural catastrophes, vandalism or acts of third persons. Client assumes the full risk of loss attributable to all such occurrences, including but not limited to, the repair or replacement of landscaping and payment to Yellowstone of all amounts provided in this Agreement, notwithstanding that Yellowstone may not have been able to provide all or any of its Services during such occurrences or until the premises described under this Agreement has been restored to its pre-occurrence condition.

Increased Costs/Additional Services: Yellowstone reserves the right, and Client acknowledges that it should expect Yellowstone to increase or add charges payable by Client hereunder during the Initial Term or any Renewal Term: (i) for any changes or modifications to, or differences between, the actual Services provided by Yellowstone to Client and those specified on the Compensation Schedule; (ii) for any increase in fuel cost, raw material cost, fertilizer or chemical cost, regulatory cost recovery charge, environmental charge, and/or any other charges included or referenced in the Compensation Schedule (which charges are calculated and/or determined on an enterprise-wide basis, including Yellowstone and all affiliates); and (iii) to cover increased costs due to: uncontrollable circumstances, including, without limitation, changes (occurring from and after three (3) months prior to the Effective Date) in local, state, federal or foreign laws or regulations (or the enforcement, interpretation or application thereof), including the imposition of or increase in taxes, fees or surcharges, pandemics or other widespread illness, or acts of God such as floods, fires, hurricanes and natural disasters. Increases to charges specified in this section may be applied singularly or cumulatively and may include an amount for Yellowstone's operating or profit margin. Client acknowledges and agrees that any increased charges under this section are not represented to be solely an offset or pass through of Yellowstone's costs.

Watering Restrictions and Drought Conditions: Should the Property be located in an area which is or becomes subject to governmental restrictions on water usage and/or watering times applicable to the Services Yellowstone will comply with such governmental restrictions which may then impact the performance, viability, and/or looks of plant materials and, as such, shall be deemed circumstances beyond its reasonable control.

Warranty: Yellowstone's warranties shall not be in effect in the event of misuse, abuse or negligence by Client or any party affiliated with same. Additionally, Yellowstone's warranties shall not be in effect in the event of freeze, flood, fire and/or any other acts of God.

Nonwaiver: No delay or omission by Yellowstone in exercising any right under this Agreement, and no partial exercise of any right under this Agreement, shall operate as a waiver of such right or of any other right under this Agreement as provided for by law or equity. No purported waiver of any right shall be effective unless in writing signed by an authorized representative of Yellowstone and no waiver on one occasion shall be construed as a bar to or waiver of any such right on any other occasion. All rights of Yellowstone under this Agreement, at law or in equity, are cumulative and the exercise of one shall not be construed as a bar to or waiver of any other.

Construction: The rule of adverse construction shall not apply. No provision of this Agreement is to be interpreted for or against any Party because that Party or that Party's legal representative drafted the provision. In the event any provision of the Agreement is deemed invalid or unenforceable, the remaining provisions shall continue in full force and effect, and the invalid or unenforceable provision shall be interpreted and enforced as closely as possible to the intent of the Parties as expressed herein.

Change in Law: This Agreement is based on the laws and regulations existing at the date of execution. In the event that a governmental authority enacts laws or modifies regulations in a manner that increases Yellowstone's costs associated with providing the services under this Agreement, Yellowstone reserves the right to notify Client in writing of such material cost increase and to adjust pricing accordingly as of the effective date of such cost increase. Yellowstone must submit clear documentation supporting the cost increase and can only increase pricing to the extent of actual costs incurred.

Prevailing Provisions: In the event of any inconsistency between any terms set out herein and any exhibit, annex, schedule, proposal, or other document attached hereto, the Terms and Conditions of this Agreement shall prevail.

In the event additional fences, pools or other structures are installed on Client's Property during the Initial Term or any subsequent term of this Agreement, pricing will be adjusted to reflect those additional structures in accordance with the rates used for the Compensation Schedule. Pricing for flowers and mulch will be reviewed on an annual basis. Notwithstanding the foregoing or anything to the contrary herein, Yellowstone also reserves the right to charge Client additional charges for additional services provided by Yellowstone to Client, whether requested or incurred by Client, which may be agreed to orally, in writing or by other actions and practices of the parties, including, without limitation, electronic or online acceptance or payment of the invoice reflecting such changes, and written notice to Client of any such changes. Client's failure to object to such changes via written notice within 30 days shall be deemed to be Client's affirmative consent to such changes.

All materials supplied as part of this agreement are guaranteed to be as specified and all work shall be completed in a workmanlike manner according to standard landscape maintenance practices ("Warranty"). Unless otherwise stated in writing Yellowstone shall have the right to rely on the contents of all documents provided by Client and/or its agents, including, but not limited to, plans, specifications, and test results, without independent verification and analysis by Yellowstone. Client agrees that Yellowstone is not an insurer or guarantor of the appropriateness of any landscape design provided by others, or of the long term viability of plant material utilized within that specified landscape design or of the site constraints (including watering restrictions) under which Yellowstone is required to perform its Services. In no event shall Yellowstone guarantee or provide Warranty for any work or services provided by a third party.

Assignment: Neither Client nor Yellowstone may assign this Agreement or transfer any right, interest, obligation, claim, or relief under this Agreement without the prior written consent of the other party. Client acknowledges that Yellowstone may subcontract portions of the Work to specialty subcontractors.

Relationship of Parties: The legal relationship of Yellowstone to Client with respect to the Services shall be that of an independent contractor, not an agent or employee. Yellowstone is responsible for its own withholding taxes, social security taxes, unemployment taxes, licenses, and insurance pertaining to its employees or operations. If applicable, Yellowstone agrees to pay all sales taxes on materials supplied.

Agreement Renewal: Unless Client notifies Yellowstone regarding its intent to terminate Services prior to expiration of the "Initial Term", this Agreement will renew automatically for an additional twelve (12) month term and will continue to renew at the end of each successive twelve (12) month unless canceled by either party in accordance with the "Termination" provision or by either party with written notice of not less than 30 days prior to the end of the "Initial Term" or any automatic term(s). Charges will increase by 3.0% or the annual CPI percentage increase, whichever is greater, at the commencement of each additional automatic twelve (12) month renewal term.

Payment Terms: Billing for Services occurs in advance at the first of each month in accordance with the "Compensation Schedule" on the preceding page of this agreement. Payment for Service(s) is due upon receipt of monthly invoices. The Parties contractually agree that interest on all past due amounts shall accrue at the maximum allowable rate provided by law per month, beginning on the first day following the month in which the invoice was received. This Agreement constitutes a contract of indebtedness. Our preferred payment method is ACH transfer. If Client chooses to pay by check or money order, payments should be mailed to the address indicated on the invoice.

Termination for Cause: If Yellowstone fails to fully perform its obligations and fails to cure any such default within 30 days after receipt of written notice specifying the acts or omissions, Client shall have the right to terminate this Agreement. In the event of a "Termination for Cause", Client shall notify Yellowstone of the termination date in writing and pay Yellowstone for all Services performed to the effective date of termination.

Default: In the event that Client breaches its obligations under this Agreement to permit and cooperate with Yellowstone's performance of its duties or Client fails to make payment for any Services within 30 days of receipt of Yellowstone's invoice, Yellowstone may, but shall not be obligated to, suspend Services until the breach is cured and/or until all arrearages have been paid in full. This Agreement will terminate automatically and without notice upon the insolvency of, or upon the filing of a bankruptcy petition by or against Client.

Claims: Yellowstone's responsibility with regard to Services not meeting the "Warranty" shall be limited, at the sole choice of Yellowstone, to the re-performance of those defective Services and replacement of those defective materials without charge during the ninety (90) day period following completion of the defective Services or provision of defective materials, or a credit to Client's account of the compensation paid by Client for the portion of such Services determined to be defective. If the attached exhibit(s) expressly provide for a longer "Warranty" period, that "Warranty" period shall apply. The Parties shall endeavor in good faith to resolve any such Claim within 30 days, failing which all claims, counterclaims, disputes, and other matters in question between Client and Yellowstone arising out of or relating to this Agreement or the breach thereof may be decided by the dispute resolution process identified below. Each Party will bear its own costs, including attorneys' fees; however, the prevailing party shall have the right to collect reasonable costs and attorneys fees for enforcing this agreement as allowable by applicable law.

Jurisdiction: By entering into this Agreement and unless otherwise agreed the parties agree that the courts of the State of Florida, or the courts of the United States located in the Middle District of the State of Florida, shall have the sole and exclusive jurisdiction to entertain any action between the parties hereto and the parties hereto waive any and all objections to venue being in the state courts located in Flagler County (and agree that the sole venue for such challenges shall be Flagler County) or the Middle District of Florida, if federal jurisdiction is appropriate. Should the parties not agree on the State of Florida as the appropriate jurisdiction for legal challenges, the parties agree the state in which the job site is located will be designated as the appropriate legal jurisdiction for all legal disputes and challenges to the contract or the work related thereto.

Insurance: Yellowstone shall secure and maintain, throughout the performance of Services under this Agreement, General Liability, Employers Liability, Auto Liability & Umbrella Liability coverage, as specified herein:

- a. Worker's Compensation Insurance with statutory limits;
- b. Employer's Liability Insurance with limits of not less than \$1,000,000;

- d. Comprehensive Automobile Liability Insurance, including owned, non-owned, and hired vehicles, with combined single limits of not less than \$1,000,000.
- e. Umbrella Coverage \$10,000,000 per occurrence/\$10,000,000 annual aggregate

If required in writing by Client, Yellowstone shall furnish Certificates of Insurance verifying such insurance and Yellowstone agrees to provide written notice to Client at least thirty (30) days prior to any cancellation, non-renewal, or material modification of the policies. When requested by Client, the original insurance policies required of Yellowstone will be made available for review.

Licenses: Yellowstone shall maintain all applicable licenses and permits within the cities, counties, and states of operation.

Indemnification for Third Party Claims: Yellowstone agrees to indemnify, defend, and hold harmless Client from and against any and all claims, losses, liabilities, judgments, costs and expenses, and damages and injuries to third parties ("Claims") arising out of or caused by the negligent act, error, omission or intentional wrongdoing of Yellowstone, its subcontractors or their respective agents, employees or representatives which arise from the performance of the Services or otherwise while present on the Property for the purpose of rendering Services pursuant to this Agreement. Client agrees to indemnify and hold harmless Yellowstone against any Claims based in whole or in part by the conduct or actions of Client. The indemnity rights and obligations identified in this Agreement shall be and are the only indemnity rights and obligations between the Parties, in law or equity, arising out of or related to Yellowstone's Services under this Agreement or any claims asserted in relation thereto.

Limitation of Liability: Except for the indemnification provision applicable to claims by third parties against Client, Yellowstone's total and cumulative liability to Client for any and all claims, losses, costs, expenses and damages, whether in contract, tort or any other theory of recovery, shall in no event exceed the amount Client has paid to Yellowstone for Services under this Agreement during the calendar year in which the claim first occurred. In no event shall Yellowstone be liable for incidental, consequential, special or punitive damages. Yellowstone shall not be responsible for any damage to structures, including, but not limited to, foundations, fences, siding, light poles, decks, signage, air conditioning units, lamp posts, curbs, or similar structures that do not have a minimum buffer of mulch, planting bed space, or other barren or unmaintained area of sufficient size to offer protection to such structures from damage from mowers, weed-trimming lines, or other maintenance equipment (if not otherwise specified and agreed, a minimum of 8 inches). Likewise, Yellowstone will not be responsible for any damage to any cables, wires, irrigation components, or similar items not buried to specification in the event they are damaged during the performance of the Services.

Indirect Damages: Neither Party shall be responsible to the other or to any third party for any economic, consequential, incidental, or punitive damages (including but not limited to loss of use, income, profits, financing, or loss of reputation) arising out of or relating to this Service Agreement or the performance of the Services.

Excusable Delays and Risk of Loss: Yellowstone shall not be in breach of this Agreement nor liable for damages due to (i) delays, (ii) failure to perform any obligation under this Agreement, or (iii) losses caused or attributable, in whole or in part, to circumstances beyond its reasonable control, including but not limited to: drought conditions, acts of God, governmental restrictions or requirements, severe or unusual weather, natural catastrophes, vandalism or acts of third persons. Client assumes the full risk of loss attributable to all such occurrences, including but not limited to, the repair or replacement of landscaping and payment to Yellowstone of all amounts provided in this Agreement, notwithstanding that Yellowstone may not have been able to provide all or any of its Services during such occurrences or until the premises described under this Agreement has been restored to its pre-occurrence condition.

Increased Costs/Additional Services: Yellowstone reserves the right, and Client acknowledges that it should expect Yellowstone to increase or add charges payable by Client hereunder during the Initial Term or any Renewal Term: (i) for any changes or modifications to, or differences between, the actual Services provided by Yellowstone to Client and those specified on the Compensation Schedule; (ii) for any increase in fuel cost, raw material cost, fertilizer or chemical cost, regulatory cost recovery charge, environmental charge, and/or any other charges included or referenced in the Compensation Schedule (which charges are calculated and/or determined on an enterprise-wide basis, including Yellowstone and all affiliates); and (iii) to cover increased costs due to: uncontrollable circumstances, including, without limitation, changes (occurring from and after three (3) months prior to the Effective Date) in local, state, federal or foreign laws or regulations (or the enforcement, interpretation or application thereof), including the imposition of or increase in taxes, fees or surcharges, pandemics or other widespread illness, or acts of God such as floods, fires, hurricanes and natural disasters. Increases to charges specified in this section may be applied singularly or cumulatively and may include an amount for Yellowstone's operating or profit margin. Client acknowledges and agrees that any increased charges under this section are not represented to be solely an offset or pass through of Yellowstone's costs.

Watering Restrictions and Drought Conditions: Should the Property be located in an area which is or becomes subject to governmental restrictions on water usage and/or watering times applicable to the Services Yellowstone will comply with such governmental restrictions which may then impact the performance, viability, and/or looks of plant materials and, as such, shall be deemed circumstances beyond its reasonable control.

Warranty: Yellowstone's warranties shall not be in effect in the event of misuse, abuse or negligence by Client or any party affiliated with same. Additionally, Yellowstone's warranties shall not be in effect in the event of freeze, flood, fire and/or any other acts of God.

Nonwaiver: No delay or omission by Yellowstone in exercising any right under this Agreement, and no partial exercise of any right under this Agreement, shall operate as a waiver of such right or of any other right under this Agreement as provided for by law or equity. No purported waiver of any right shall be effective unless in writing signed by an authorized representative of Yellowstone and no waiver on one occasion shall be construed as a bar to or waiver of any such right on any other occasion. All rights of Yellowstone under this Agreement, at law or in equity, are cumulative and the exercise of one shall not be construed as a bar to or waiver of any other.

Construction: The rule of adverse construction shall not apply. No provision of this Agreement is to be interpreted for or against any Party because that Party or that Party's legal representative drafted the provision. In the event any provision of the Agreement is deemed invalid or unenforceable, the remaining provisions shall continue in full force and effect, and the invalid or unenforceable provision shall be interpreted and enforced as closely as possible to the intent of the Parties as expressed herein.

Change in Law: This Agreement is based on the laws and regulations existing at the date of execution. In the event that a governmental authority enacts laws or modifies regulations in a manner that increases Yellowstone's costs associated with providing the services under this Agreement, Yellowstone reserves the right to notify Client in writing of such material cost increase and to adjust pricing accordingly as of the effective date of such cost increase. Yellowstone must submit clear documentation supporting the cost increase and can only increase pricing to the extent of actual costs incurred.

Prevailing Provisions: In the event of any inconsistency between any terms set out herein and any exhibit, annex, schedule, proposal, or other document attached hereto, the Terms and Conditions of this Agreement shall prevail.

1. **FUNDING.** The District's Board hereby authorizes the funding mechanisms for the Adopted Budget as provided further herein and as indicated in the Adopted Budget attached hereto as **Exhibit A** and the assessment roll attached hereto as **Exhibit B ("Assessment Roll")**.

2. **OPERATIONS AND MAINTENANCE ASSESSMENTS.**

a. **Benefit Findings.** The provision of the services, facilities, and operations as described in **Exhibit A** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands is shown in **Exhibit A** and **Exhibit B** and is hereby found to be fair and reasonable.

- b. **O&M Assessment Imposition.** Pursuant to Chapter 190, *Florida Statutes*, a special assessment for operations and maintenance (“**O&M Assessment(s)**”) is hereby levied and imposed on benefitted lands within the District and in accordance with **Exhibit A** and **Exhibit B**. The lien of the O&M Assessments imposed and levied by this Resolution shall be effective upon passage of this Resolution.
 - c. **Maximum Rate.** Pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the “maximum rate” authorized by law for operation and maintenance assessments.
- 3. **DEBT SERVICE SPECIAL ASSESSMENTS.** The District’s Board hereby certifies for collection the FY 2027 installment of the District’s previously levied debt service special assessments (“**Debt Assessments**,” and together with the O&M Assessments, the “**Assessments**”) in accordance with this Resolution and as further set forth in **Exhibit A** and **Exhibit B**, and hereby directs District staff to affect the collection of the same.
- 4. **COLLECTION AND ENFORCEMENT; PENALTIES; INTEREST.** Pursuant to Chapter 190, *Florida Statutes*, the District is authorized to collect and enforce the Assessments as set forth below.

 - a. **Tax Roll Assessments.** To the extent indicated in **Exhibit A** and **Exhibit B**, those certain O&M Assessments (if any) and/or Debt Assessments (if any) imposed on the “**Tax Roll Property**” identified in **Exhibit B** shall be collected by the County Tax Collector at the same time and in the same manner as County property taxes in accordance with Chapter 197, *Florida Statutes* (“**Uniform Method**”). That portion of the Assessment Roll which includes the Tax Roll Property is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County property taxes. The District’s Board finds and determines that such collection method is an efficient method of collection for the Tax Roll Property.
 - b. **Future Collection Methods.** The District’s decision to collect Assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.
- 5. **ASSESSMENT ROLL; AMENDMENTS.** The Assessment Roll, attached hereto as **Exhibit B**, is hereby certified for collection. The Assessment Roll shall be collected pursuant to the collection methods provided above. The proceeds therefrom shall be paid to the District. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution and shall amend the Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll.
- 6. **APPROVAL OF PRIOR ACTIONS.** The actions of the Chairman, Vice Chairman, Secretary, Treasurer, Assistant Secretaries, and all District Staff in finalizing the Assessments and Assessment Roll as provided herein are hereby ratified, approved, and confirmed in all respects.

7. **SEVERABILITY; EFFECTIVE DATE.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof. This Resolution shall take effect immediately upon adoption.

Members of the Board (“**Supervisors**”) appointed by ordinance or rule or elected by landowners must be citizens of the United States of America and residents of the State of Florida. Supervisors elected or appointed by the Board to elector seats must be citizens of the United States of America, residents of the State of Florida and of the District and registered to vote with the Supervisor of Elections of the county in which the District is located and for those elected, shall also be qualified to run by the Supervisor of Elections. If, during the term of office, any Board member(s) vacates their office, the remaining member(s) of the Board shall fill the vacancies by appointment for the remainder of the term(s). If three or more vacancies exist at the same time, a quorum, as defined herein, shall not be required to appoint replacement Board members.
 - (b) Three (3) members of the Board shall constitute a quorum for the purposes of conducting business, exercising powers and all other purposes. A Board member shall be counted toward the quorum if physically present at the meeting, regardless of whether such Board member is prohibited from, or abstains from, participating in discussion or voting on a particular item.
 - (c) Action taken by the Board shall be upon a majority vote of the members present, unless otherwise provided in the Rules or required by law. Subject to Rule 1.3(10), a Board member participating in the Board meeting by teleconference or videoconference shall be entitled to vote and take all other action as though physically present.
 - (d) Unless otherwise provided for by an act of the Board, any one Board member may attend a mediation session on behalf of the Board. Any agreement resulting from such mediation session must be approved pursuant to subsection (1)(c) of this Rule.

 - (a) The Chairperson must be a member of the Board. If the Chairperson resigns from that office or ceases to be a member of the Board, the Board shall select a Chairperson. The Chairperson serves at the pleasure of the Board. The Chairperson shall be authorized to execute resolutions and contracts on the District’s behalf. The Chairperson shall convene and conduct all meetings of the Board. In the event the Chairperson is unable to attend a

- (b) The Vice-Chairperson shall be a member of the Board and shall have such duties and responsibilities as specifically designated by the Board from time to time. The Vice-Chairperson has the authority to execute resolutions and contracts on the District's behalf in the absence of the Chairperson. If the Vice-Chairperson resigns from office or ceases to be a member of the Board, the Board shall select a Vice-Chairperson. The Vice-Chairperson serves at the pleasure of the Board.
- (c) The Secretary of the Board serves at the pleasure of the Board and need not be a member of the Board. The Secretary shall be responsible for maintaining the minutes of Board meetings and may have other duties assigned by the Board from time to time. An employee of the District Manager may serve as Secretary. The Secretary shall be bonded by a reputable and qualified bonding company in at least the amount of one million dollars (\$1,000,000), or have in place a fidelity bond, employee theft insurance policy, or a comparable product in at least the amount of one million dollars (\$1,000,000) that names the District as an additional insured.
- (d) The Treasurer need not be a member of the Board but must be a resident of the State of Florida. The Treasurer shall perform duties described in Section 190.007(2) and (3) of the Florida Statutes, as well as those assigned by the Board from time to time. The Treasurer shall serve at the pleasure of the Board. The Treasurer shall either be bonded by a reputable and qualified bonding company in at least the amount of one million dollars (\$1,000,000), or have in place a fidelity bond, employee theft insurance policy, or a comparable product in at least the amount of one million dollars (\$1,000,000) that names the District as an additional insured.
- (e) In the event that both the Chairperson and Vice-Chairperson are absent from a Board meeting and a quorum is present, the Board may designate one of its members or a member of District staff to convene and conduct the meeting. In such circumstances, any of the Board members present are authorized to execute agreements, resolutions, and other documents approved by the Board at such meeting. In the event that the Chairperson and Vice-Chairperson are both unavailable to execute a document previously approved by the Board, the Secretary or any Assistant Secretary may execute such document.
- (f) The Board may assign additional duties to District officers from time to time, which include, but are not limited to, executing documents on behalf of the District.

- (g) The Chairperson, Vice-Chairperson, and any other person authorized by District Resolution may sign checks and warrants for the District, countersigned by the Treasurer or other persons authorized by the Board.
- (3) Committees. The Board may establish committees of the Board, either on a permanent or temporary basis, to perform specifically designated functions. Committees may include individuals who are not members of the Board. Such functions may include, but are not limited to, review of bids, proposals, and qualifications, contract negotiations, personnel matters, and budget preparation.
- (4) Record Book. The Board shall keep a permanent record book entitled “**Record of Proceedings**,” in which shall be recorded minutes of all meetings, resolutions, proceedings, certificates, and corporate acts. The Records of Proceedings shall be located at a District office and shall be available for inspection by the public.
- (5) Meetings. For each fiscal year, the Board shall establish a schedule of regular meetings, which shall be published in a newspaper of general circulation within the county or counties in which the District is located and filed with the local general-purpose governments within whose boundaries the District is located. All meetings of the Board and committees serving an advisory function shall be open to the public in accord with the provisions of Chapter 286 of the Florida Statutes.
- (6) Votes Required. No Board member who is present at any meeting of the District Board at which an official decision, ruling, or other official act is to be taken or adopted may abstain from voting in regard to any such decision, ruling, or act; and a vote shall be recorded or counted for each such Board member present, except when, with respect to any such member, there is, or appears to be, a possible conflict of interest under the provisions of s. 112.311, s. 112.313, or s. 112.3143 of the Florida Statutes.
- (7) Voting Conflict of Interest. The Board shall comply with Section 112.3143 of the Florida Statutes, so as to ensure the proper disclosure of conflicts of interest on matters coming before the Board for a vote. For the purposes of this section, “**voting conflict of interest**” shall be governed by the Florida Constitution and Chapters 112 and 190 of the Florida Statutes, as amended from time to time. Generally, a voting conflict exists when a Board member is called upon to vote on an item which would inure to the Board member’s special private gain or loss or the Board member knows would inure to the special private gain or loss of a principal by whom the Board member is retained, the parent organization or subsidiary of a corporate principal, a business associate, or a relative including only a father, mother, son, daughter, husband, wife, brother, sister, father-in-law, mother-in-law, son-in-law, and daughter-in-law.
 - (a) When a Board member knows the member has a conflict of interest on a matter coming before the Board, the member should notify the Board’s

Secretary prior to participating in any discussion with the Board on the matter. The member shall publicly announce the conflict of interest at the meeting. This announcement shall appear in the minutes.

If the Board member was elected at a landowner's election or appointed to fill a vacancy of a seat last filled at a landowner's election, the Board member may vote or abstain from voting on the matter at issue. If the Board member was elected by electors residing within the District, the Board member is prohibited from voting on the matter at issue. In the event that the Board member intends to abstain or is prohibited from voting, such Board member shall not participate in the discussion on the item subject to the vote.

The Board's Secretary shall prepare a Memorandum of Voting Conflict (Form 8B) which shall then be signed by the Board member, filed with the Board's Secretary, and provided for attachment to the minutes of the meeting within fifteen (15) days of the meeting.

- (b) If a Board member inadvertently votes on a matter and later learns he or she has a conflict on the matter, the member shall immediately notify the Board's Secretary. Within fifteen (15) days of the notification, the member shall file the appropriate Memorandum of Voting Conflict, which will be attached to the minutes of the Board meeting during which the vote on the matter occurred. The Memorandum of Voting Conflict shall immediately be provided to other Board members and shall be read publicly at the next meeting held subsequent to the filing of the Memorandum of Voting Conflict. The Board member's vote is unaffected by this filing.
- (c) It is not a conflict of interest for a Board member, the District Manager, or an employee of the District to be a stockholder, officer or employee of a landowner or of an entity affiliated with a landowner.
- (d) In the event that a Board member elected at a landowner's election or appointed to fill a vacancy of a seat last filled at a landowner's election, has a continuing conflict of interest, such Board member is permitted to file a Memorandum of Voting Conflict at any time in which it shall state the nature of the continuing conflict. Only one such continuing Memorandum of Voting Conflict shall be required to be filed for each term the Board member is in office.

Rule 1.2 District Offices; Public Information and Inspection of Records; Policies; Service Contract Requirements; Financial Disclosure Coordination.

- (1) District Offices. Unless otherwise designated by the Board, the official District office shall be the District Manager's office identified by the District Manager. If the District Manager's office is not located within the county in which the District is located, the Board shall designate a local records office within such county which shall at a minimum contain, but not be limited to, the following documents:
- (a) Agenda packages for prior 24 months and next meeting;
 - (b) Official minutes of meetings, including adopted resolutions of the Board;
 - (c) Names and addresses of current Board members and District Manager, unless such addresses are protected from disclosure by law;
 - (d) Adopted engineer's reports;
 - (e) Adopted assessment methodologies/reports;
 - (f) Adopted disclosure of public financing;
 - (g) Limited Offering Memorandum for each financing undertaken by the District;
 - (h) Proceedings, certificates, bonds given by all employees, and any and all corporate acts;
 - (i) District policies and rules;
 - (j) Fiscal year end audits; and
 - (k) Adopted budget for the current fiscal year.

The District Manager shall ensure that each District records office contains the documents required by Florida law.

- (2) Public Records. District public records include all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received in connection with the transaction of official business of the District. All District public records not otherwise restricted by law may be copied or inspected at the District Manager's office during regular business hours. Certain District records can also be inspected and copied at the District's local records office during regular business hours. All written public records requests shall be directed to the Secretary who by these rules is appointed as the

District's records custodian. Regardless of the form of the request, any Board member or staff member who receives a public records request shall immediately forward or communicate such request to the Secretary for coordination of a prompt response. The Secretary, after consulting with District Counsel as to the applicability of any exceptions under the public records laws, shall be responsible for responding to the public records request. At no time can the District be required to create records or summaries of records, or prepare opinions regarding District policies, in response to a public records request.

- (3) Service Contracts. Any contract for services, regardless of cost, shall include provisions required by law that require the contractor to comply with public records laws. The District Manager shall be responsible for initially enforcing all contract provisions related to a contractor's duty to comply with public records laws.
- (4) Fees; Copies. Copies of public records shall be made available to the requesting person at a charge of \$0.15 per page for one-sided copies and \$0.20 per page for two-sided copies if not more than 8 ½ by 14 inches. For copies of public records in excess of the sizes listed in this section and for outside duplication services, the charge shall be equal to the actual cost of reproduction. Certified copies of public records shall be made available at a charge of one dollar (\$1.00) per page. If the nature or volume of records requested requires extensive use of information technology resources or extensive clerical or supervisory assistance, the District may charge, in addition to the duplication charge, a special service charge that is based on the cost the District incurs to produce the records requested. This charge may include, but is not limited to, the cost of information technology resource, employee labor, and fees charged to the District by consultants employed in fulfilling the request. In cases where the special service charge is based in whole or in part on the costs incurred by the District due to employee labor, consultant fees, or other forms of labor, those portions of the charge shall be calculated based on the lowest labor cost of the individual(s) who is/are qualified to perform the labor, taking into account the nature or volume of the public records to be inspected or copied. The charge may include the labor costs of supervisory and/or clerical staff whose assistance is required to complete the records request, in accordance with Florida law. For purposes of this Rule, the word "**extensive**" shall mean that it will take more than 15 minutes to locate, review for confidential information, copy and re-file the requested material. In cases where extensive personnel time is determined by the District to be necessary to safeguard original records being inspected, the special service charge provided for in this section shall apply. If the total fees, including but not limited to special service charges, are anticipated to exceed twenty-five dollars (\$25.00), then, prior to commencing work on the request, the District will inform the person making the public records request of the estimated cost, with the understanding that the final cost may vary from that estimate. If the person making the public records request decides to proceed with the request, payment of the estimated cost is required in advance. Should the person fail to pay the estimate, the District is under no duty to produce the requested records. After the request has been fulfilled, additional payments or credits may be

due. The District is under no duty to produce records in response to future records requests if the person making the request owes the District for past unpaid duplication charges, special service charges, or other required payments or credits.

- (5) Records Retention. The Secretary of the District shall be responsible for retaining the District's records in accordance with applicable Florida law.
- (6) Policies. The Board may adopt policies related to the conduct of its business and the provision of services either by resolution or motion.
- (7) Financial Disclosure Coordination. Unless specifically designated by Board resolution otherwise, the Secretary shall serve as the Financial Disclosure Coordinator ("**Coordinator**") for the District as required by the Florida Commission on Ethics ("**Commission**"). The Coordinator shall create, maintain and update a list of the names, e-mail addresses, physical addresses, and names of the agency of, and the office or position held by, all Supervisors and other persons required by Florida law to file a statement of financial interest due to his or her affiliation with the District ("**Reporting Individual**"). The Coordinator shall provide this list to the Commission by February 1 of each year, which list shall be current as of December 31 of the prior year. Each Supervisor and Reporting Individual shall promptly notify the Coordinator in writing if there are any changes to such person's name, e-mail address, or physical address. Each Supervisor and Reporting Individual shall promptly notify the Commission in the manner prescribed by the Commission if there are any changes to such person's e-mail address.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 112.31446(3), 112.3145(8)(a)1., 119.07, 119.0701, 190.006, Fla. Stat.

Rule 1.3 Public Meetings, Hearings, and Workshops.

- (1) Notice. Except in emergencies, or as otherwise authorized or required by statute or these Rules, at least seven (7) days', but not more than thirty (30) days' public notice shall be given of any public meeting, hearing or workshop of the Board. Public notice shall be given by publication in a newspaper of general circulation within the county or counties in which the District is located. A newspaper is deemed to be a newspaper of "**general circulation**" in the county in which the District is located if such newspaper has been in existence for two (2) years at the time of publication of the applicable notice (unless no newspaper within the county has been published for such length) and satisfies the criteria of section 50.011(1) of the Florida Statutes, or if such newspaper is a direct successor of a newspaper which has been so published, as such provisions may be amended from time to time by law. The annual meeting notice required to be published by Section 189.015 of the Florida Statutes, shall be published as provide in Chapter 50 of the Florida Statutes, and such notice published consistent therewith shall satisfy the requirement to give at least seven (7) days' public notice as required herein. Each Notice shall state, as applicable:
 - (a) The date, time and place of the meeting, hearing or workshop;
 - (b) A brief description of the nature, subjects, and purposes of the meeting, hearing, or workshop;
 - (c) The District office address for the submission of requests for copies of the agenda, as well as a contact name and telephone number for verbal requests for copies of the agenda; and
 - (d) The following or substantially similar language: "Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this meeting/hearing/workshop is asked to advise the District Office at least forty-eight (48) hours before the meeting/hearing/workshop by contacting the District Manager at (904) 940-5850. If you are hearing or speech impaired, please contact the Florida Relay Service at 1 (800) 955-8770 or 1 (800) 955-8771, who can aid you in contacting the District Office."
 - (e) The following or substantially similar language: "A person who decides to appeal any decision made at the meeting/hearing/workshop with respect to any matter considered at the meeting/hearing/workshop is advised that person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made including the testimony and evidence upon which the appeal is to be based."

- (f) The following or substantially similar language: “The meeting [or hearing or workshop] may be continued in progress without additional notice to a time, date, and location stated on the record.”

The date, time, and place of each meeting, hearing, or workshop of the Board shall additionally be posted on the District’s website at least seven (7) days prior to such meeting, hearing, or workshop.

- (2) Mistake. In the event that a meeting is held under the incorrect assumption that notice required by law and these Rules has been given, the Board at its next properly noticed meeting shall cure such defect by considering the agenda items from the prior meeting individually and anew.
- (3) Agenda. The District Manager, under the guidance of District Counsel and the Chairperson or Vice-Chairperson, shall prepare an agenda of the meeting/hearing/workshop. The agenda and any meeting materials available in an electronic format, excluding any i) confidential and ii) confidential and exempt information, shall be available to the public at least seven (7) days before the meeting/hearing/workshop, except in an emergency. Meeting materials shall be defined as, and limited to, the agenda, meeting minutes, resolutions, and agreements of the District that District staff deems necessary for Board approval. Inclusion of additional materials for Board consideration other than those defined herein as “meeting materials” shall not convert such materials into “meeting materials.” For good cause, the agenda may be changed after it is first made available for distribution, and additional materials may be added or provided under separate cover at the meeting. The requirement of good cause shall be liberally construed to allow the District to efficiently conduct business and to avoid the expenses associated with special meetings.

The District may, but is not required to, use the following format in preparing its agenda for its regular meetings:

The Chairperson, or Vice-Chairperson if the Chairperson is unavailable, upon consultation with the District Manager and District Counsel, if available, may convene an emergency meeting of the Board without first having complied with sections (1) and (3) of this Rule, to act on emergency matters that may affect the public health, safety, or welfare. Whenever possible, the District Manager shall make reasonable efforts to provide public notice and notify all Board members of an emergency meeting twenty-four (24) hours in advance. Reasonable efforts may include telephone notification. Notice of the emergency meeting must be provided both before and after the meeting on the District's website, if it has one. Whenever an emergency meeting is called, the District Manager shall be responsible for notifying at least one newspaper of general circulation within the county in which the District is located. Public hearings may be held during Board meetings when the agenda includes such public hearing.
- (10) Participation by Teleconference/Videoconference. District staff may participate in Board meetings by teleconference or videoconference. Board members may also participate in Board meetings by teleconference or videoconference if in the good judgment of the Board extraordinary circumstances exist; provided however, at least three Board members must be physically present at the meeting location to establish a quorum. Such extraordinary circumstances shall be presumed when a Board member participates by teleconference or videoconference, unless a majority of the Board members physically present determines that extraordinary circumstances do not exist.
- (11) Board Authorization. The District has not adopted Robert's Rules of Order. For each agenda item, there shall be discussion permitted among the Board members during the meeting. Unless such procedure is waived by the Board, approval or disapproval of resolutions and other proposed Board actions shall be in the form of a motion by one Board member, a second by another Board member, and an affirmative vote by the majority of the Board members present. Any Board member, including the Chairperson, can make or second a motion.
- (12) Continuances. Any meeting or public hearing of the Board may be continued without re-notice or re-advertising provided that:
- (a) The Board identifies on the record at the original meeting a reasonable need for a continuance;
 - (b) The continuance is to a specified date, time, and location publicly announced at the original meeting; and
 - (c) The public notice for the original meeting states that the meeting may be continued to a date and time and states that the date, time, and location of any continuance shall be publicly announced at the original meeting and posted at the District Office immediately following the original meeting.
- (13) Attorney-Client Sessions. An Attorney-Client Session is permitted when the District's attorneys deem it necessary to meet in private with the Board to discuss pending litigation to which the District is a party before a court or administrative agency or as may be authorized by law. The District's attorney must request such session at a public meeting. Prior to holding the Attorney-Client Session, the District must give reasonable public notice of the time and date of the session and

the names of the persons anticipated to attend the session. The session must commence at an open meeting in which the Chairperson or Vice-Chairperson announces the commencement of the session, the estimated length of the session, and the names of the persons who will be attending the session. The discussion during the session is confined to settlement negotiations or strategy related to litigation expenses or as may be authorized by law. Only the Board, the District's attorneys (including outside counsel), the District Manager, and the court reporter may attend an Attorney-Client Session. During the session, no votes may be taken and no final decisions concerning settlement can be made. Upon the conclusion of the session, the public meeting is reopened, and the Chairperson or Vice-Chairperson must announce that the session has concluded. The session must be transcribed by a court-reporter and the transcript of the session filed with the District Secretary within a reasonable time after the session. The transcript shall not be available for public inspection until after the conclusion of the litigation.

- (14) Security and Firesafety Board Discussions. Portions of a meeting which relate to or would reveal a security or firesafety system plan or portion thereof made confidential and exempt by section 119.071(3)(a), Florida Statutes, are exempt from the public meeting requirements and other requirements of section 286.011, Florida Statutes, and section 24(b), Article 1 of the State Constitution. Should the Board wish to discuss such matters, members of the public shall be required to leave the meeting room during such discussion. Any records of the Board's discussion of such matters, including recordings or minutes, shall be maintained as confidential and exempt records in accordance with Florida law.

The District shall prepare a SERC for a proposed rule if in accordance with the requirements of Section 120.541(2) of the Florida Statutes if: i) the proposed rule will have an adverse economic impact on small business; or ii) the proposed rule is likely to directly or indirectly increase regulatory costs in excess of \$200,000 in the aggregate in the state within one (1) year after implementation of the rule.

 - (ix) The District's website where the statement of estimated regulatory costs can be viewed, in its entirety, if one has been prepared;
 - (x) A statement that any person who wishes to provide the District with a lower cost regulatory alternative as provided by Section 120.541(1), must do so in writing within twenty-one (21) days after publication of the notice;
 - (xi) A statement as to whether, based on the SERC or other information expressly relied upon and described by the District if no statement of regulatory costs is required, the proposed rule is expected to require legislative ratification pursuant to Section 120.541(3) of the Florida Statutes;

If the Notice of Rulemaking is not published within one-hundred eighty (180) days of the publication of the Notice of Rule Development, then the District's Board shall approve a concise statement at least seven (7) days prior to the conclusion of the one-hundred eighty (180) day timeframe identifying the reason for the delay, which may be supplemented quarterly until the District has adopted the proposed rule.
- (c) The Notice of Rulemaking shall be mailed or delivered electronically to all persons named in the proposed rule and to all persons who, at least fourteen (14) days before publication of the notice, have made requests of the District for advance notice of its rulemaking proceedings. Any person may file a written request with the District Manager to receive notice of the District's rulemaking proceedings. Such persons must furnish a mailing address or e-

mail address, and may be required to pay the cost of copying and mailing as applicable.

- (d) As of the date of publication of the Notice of Rulemaking, the Board shall make available for public inspection and shall provide, upon request and payment of the cost of copies, the proposed rule, including all material proposed to be incorporated by reference.

(6) Modification of Rules.

(a) Technical Changes.

- (i) Prior to rule adoption, the District shall publish a notice of correction (“**Notice of Correction**”) if any of the information that is required to be included in the Notice of Rulemaking, including technical changes that correct citations or grammatical, typographical or similar errors that do not otherwise affect the substance of the rule, is omitted or is incorrect. A Notice of Correction cannot be used to make substantive changes to the rule text. The Notice of Correction shall be published in a newspaper of general circulation within the county or counties in which the District is located at least seven (7) days prior to the intended action.
- (ii) After rule adoption, a technical change to a rule may be approved at any time by the District. Promptly thereafter, a Notice of Correction shall be published by the District in the manner set forth in Section 6(a)(i) of this Rule.

(b) Substantive Changes.

- (i) Prior to rule adoption, the District shall publish a notice of change (“**Notice of Change**”) if there is any substantive change, other than a technical change that corrects citations or grammatical, typographical or similar errors that do not otherwise affect the substance of the rule, to a proposed rule, including any material incorporated by reference, or to a SERC. The Notice of Change must address a summary of the change and shall be published in a newspaper of general circulation within the county or counties in which the District is located at least twenty-one (21) days prior to the intended action. The Notice of Change shall also be sent to those persons set forth in Section 5(C) of this Rule that have made requests of the District for advance notice of its rulemaking proceedings. Any substantive change must be either be:

- 1. Supported by the record of the public hearing held on the proposed rule;

2. In response to written materials submitted to the District; or
3. In response to an objection with the proposed rule by the District Board.

(ii) After rule adoption, a substantive change to a rule shall be effectuated by initiating rulemaking as set forth in this Rule.

(7) Withdrawal of Proposed Rules.

- (a) Prior to the adoption of a rule, the District may elect to withdraw the proposed rule in whole or in part. After a rule has become effective, the District may only amend or repeal the rule through initiating the rulemaking procedures set forth in this Rule.
- (b) Prior to the adoption of a rule, the District shall withdraw the proposed rule if the District has either failed to adopt such rule within one-hundred eighty (180) days of the publication of the Notice of Rule Development required by Section 4 of this Rule or to approve a concise statement at least seven (7) days prior to the conclusion of the one-hundred eighty (180) day timeframe identifying the reason for the delay, which may be supplemented quarterly until the District has adopted the proposed rule.
- (c) In the event of a withdrawal of a proposed rule, the District shall publish a notice (“**Notice of Rule Withdrawal**”) in a newspaper of general circulation within the county or counties in which the District is located, and shall provide notice to those persons set forth in Section 5(c) of this Rule that have made requests of the District for advance notice of its rulemaking proceedings.
- (d) Within fifteen (15) days after the end of each calendar quarter, the District shall compile and post on its website a list of each failure to publish a Notice of Rulemaking within the timeframe prescribed by Section 5(b) of this Rule, which list shall include the information set forth in Section 120.54(3)(d)(7) of the Florida Statutes. The District is only required to provide such posting in any calendar quarter(s) in which there is an actual failure to timely publish a Notice of Rulemaking, if any.

(8) Rule Development Workshops.

- (a) Whenever requested in writing by any affected person, the District must conduct a rule development workshop prior to proposing rules for adoption for the purposes of rule development or information gathering for the preparation of the SERC, unless the Chairperson explains in writing why a workshop is unnecessary. The District may initiate a rule development workshop, but is not required to do so.

- (b) If a workshop is held, the District must ensure that the person(s) responsible for preparing the rule and the SERC, if applicable, are available to explain the District's proposed rule and to respond to questions or comments regarding the rule being developed.
 - (c) The notice of any workshop shall be published in a newspaper of general circulation within the county or counties in which the District is located at least fourteen (14) days prior to the workshop setting forth the following:
 - (i) The place, date, and time of the workshop;
 - (ii) The subject area that will be addressed; and

- (9) Petitions to Initiate Rulemaking.
- (a) All Petitions to Initiate Rulemaking Proceedings must contain the name, address, and telephone number of the petitioner, the specific action requested, the specific reason for adoption, amendment, or repeal, the date submitted, the text of the proposed rule, and the facts showing that the petitioner is regulated by the District or has a substantial interest in the rulemaking. District staff shall forward a copy of the petition to the District's Board within seven (7) days of its receipt.
 - (b) If the petition is directed to an adopted rule, within thirty (30) days following the date of filing a petition, the District shall either i) initiate rulemaking proceedings, ii) otherwise comply with the requested action, or iii) deny the petition with a written statement of its reasons for the denial.
 - (c) If the petition is directed to an unadopted rule, within thirty (30) days following the date of filing a petition, the District shall either i) initiate rulemaking, or ii) set a public hearing to consider whether the public interest is served adequately by the application of the proposed rule on a case-by-case basis, as contrasted with its formal adoption as a rule.
 - (i) If the District elects to hold a public hearing, notice of the public hearing ("**Notice of Rulemaking Petition Public Hearing**") shall be published in a newspaper of general circulation within the county or counties in which the District is located. The public hearing shall be held by the District within thirty (30) days after publication of the Notice of Rulemaking Petition Public Hearing.
 - (ii) Not later than thirty (30) days following the date of the public hearing held pursuant to Section 9(c)(i) of this Rule, the District

shall either i) initiate rulemaking proceedings, ii) otherwise comply with the requested action, or iii) deny the petition with a written statement of its reasons for the denial.

1. If the District decides to initiate rulemaking it shall proceed with the rulemaking process as set forth in this Rule.
2. If the District decides to not initiate rulemaking or otherwise comply with the requested action, the District shall publish a statement of its reasons for not initiating rulemaking or otherwise complying with the requested action and of any changes it will make in the scope or application of the unadopted rule (the “**Notice of Denial of Rulemaking Petition**”). The Notice of Denial of Rulemaking Petition shall be published in a newspaper of general circulation within the county or counties in which the District is located.

- (d) Nothing in this Rule shall be construed as requiring the District to adopt, amend, or repeal a rule as initiated by petition.

(10) Public Hearing.

- (a) The District may, or, upon the written request of any affected person received within twenty-one (21) days after the date of publication of the Notice of Rulemaking, shall, provide a public hearing for the presentation of evidence, argument, and oral statements, within the reasonable conditions and limitations imposed by the District to avoid duplication, irrelevant comments, unnecessary delay, or disruption of the proceedings. When a public hearing is held, the District shall ensure that staff is available to explain the proposed rule and to respond to questions or comments regarding the proposed rule. Written statements may be submitted by any person prior to or at the public hearing. All timely submitted written statements shall be considered by the District and made part of the rulemaking record.
- (b) The District shall publish notice of the public hearing (“**Notice of Public Hearing**”) in a newspaper of general circulation within the county or counties in which the District is located, either in the text of the Notice of Rulemaking or in a separate publication at least seven (7) days before the scheduled public hearing. The Notice of Public Hearing shall include the following information:
- (i) The date, time, and location of the public hearing; and
 - (ii) The name, address, and telephone number of the District contact person who can provide information about the public hearing.

(11) Emergency Rule Adoption.

- (a) The Board may adopt an emergency rule if it finds that immediate danger to the public health, safety, or welfare exists which requires immediate action or if the Legislature authorizes the District to adopt emergency rules. The District may use any procedure which is fair under the circumstances in the adoption of an emergency rule as long as it protects the public interest as determined by the District.
- (b) At the time or prior to the adoption of an emergency rule, the District shall post on its website a notice regarding its adoption of the emergency rule (the “**Notice of Emergency Rule**”) which includes the specific facts and reasons for finding an immediate danger to the public health, safety, or welfare and its reasons for concluding that procedure used is fair under the circumstances. The Notice of Emergency Rule shall thereafter be promptly published in a newspaper of general circulation within the county or counties in which the District is located, and shall include the following information:
 - (i) The full text of the rule(s); and
 - (ii) The District’s findings of immediate danger, necessity, and procedural fairness or a citation to the grant of emergency rulemaking authority.
- (c) An emergency rule shall be effective immediately upon adoption by the District, or on a date less than twenty (20) days thereafter if specified in the emergency rule if the District finds that a later effective date is necessary because of immediate danger to the public health, safety, or welfare. An emergency rule may not be effective for a period of more than ninety (90) days after adoption and may not be renewable, unless the District has initiated rulemaking to adopt rules addressing the subject of the emergency rule and either i) a challenge to the proposed rules has been filed and remains pending or ii) the proposed rules are awaiting ratification by the Legislature, if applicable. Nothing in this paragraph prohibits the District from adopting a rule identical to the emergency rule through the non-emergency rulemaking procedures set forth in this Rule.
 - (i) If an emergency rule is being renewed in accordance with Section 11(d) of this Rule, notice of the renewal of the emergency rule (the “**Notice of Renewal of Emergency Rule**”) shall be published before the expiration of the existing emergency rule. The Notice of Renewal of Emergency Rule shall be published in a newspaper of general circulation within the county or counties in which the

District is located and shall include the specific facts and reasons for such renewal.

- (ii) For emergency rules with an effective period of longer than ninety (90) days which are intended to replace an existing rule, the Rulemaking Record for the existing rule, as required by Section 13 of this Rule, shall specifically identify the emergency rule that is intended to supersede the existing rule as well as the date that the emergency rule was adopted by the District.
- (d) The District may supersede an emergency rule in effect through the adoption of another emergency rule before the superseded rule expires. The District shall post on its website and publish a Notice of Emergency Rule, in accordance with Section 11(b) of this Rule, identifying the reason for adopting the superseding rule. The superseding rule shall not be in effect longer than the duration of the effective period of the superseded rule.
- (e) The District may make technical changes to an emergency rule within the first seven (7) days after the rule is adopted, and such changes shall be published in a Notice of Correction as set forth in Section 6(a) of this Rule.
- (f) The District may repeal an emergency rule before it expires by publishing a notice (“**Notice of Repeal of Emergency Rule**”) in a newspaper of general circulation within the county or counties in which the District is located. The Notice of Repeal of Emergency Rule shall include the following information:
 - (i) The full text of the emergency rule and a summary thereof;
 - (ii) The rule number; and
 - (iii) A short and plain explanation as to why the conditions specified in the Notice of Emergency Rule no longer require the emergency rule.
- (12) Negotiated Rulemaking. The District may use negotiated rulemaking in developing and adopting rules pursuant to Section 120.54(2)(d) of the Florida Statutes, except that any notices required under Section 120.54(2)(d) of the Florida Statutes, may be published in a newspaper of general circulation within the county or counties in which the District is located.
- (13) Rulemaking Record. In all rulemaking proceedings, the District shall compile and maintain a rulemaking record (“**Rulemaking Record**”) which shall be on file with the District at least twenty-one (21) days prior to the proposed adoption date of the rule. The Rulemaking Record shall include, as applicable:
 - (a) A copy of the rule;

- (b) Any material incorporated by reference in the rule;
- (c) A detailed written statement of the facts and circumstances justifying the proposed rule;
- (d) Any SERC for the rule, if required by Section 120.54(3)(b)1. of the Florida Statutes or otherwise prepared, and any information created or used by the District in determining whether a SERC is required;
- (e) A statement of the extent to which the proposed rule relates to federal standards on rules on the same subject;
- (f) The Notice of Rule Development, Notice of Rulemaking, and notice(s) of any workshops held pursuant to Section 8 of this Rule; and
- (g) If an emergency rule is intended to supersede an existing rule, the emergency rule number and the date that the emergency rule was adopted by the District.

(14) Petitions to Challenge Rules.

- (a) Any person substantially affected by a proposed or existing rule may seek an administrative determination of the invalidity of the rule on the ground that the rule is an invalid exercise of the District's authority.
 - (i) A petition alleging the invalidity of a proposed rule shall be filed within twenty-one (21) days after the date of publication of Notice of Rulemaking, within ten (10) days after the final public hearing is held on the proposed rule; within twenty (20) days after the SERC or revised SERC has been prepared and made available as provided in Section 120.541(1)(d) of the Florida Statutes, if applicable; or within twenty (20) days after the date of publication of the Notice of Rule Withdrawal required by Section 7(c) of this Rule.
 - (ii) A petition alleging the invalidity of an existing rule may be filed at any time during which the rule is in effect.
- (b) The petition seeking an administrative determination must state with particularity the provisions alleged to be invalid with sufficient explanation of the facts or grounds for the alleged invalidity and facts sufficient to show that the person challenging a proposed or existing rule is substantially affected by it. A person who is not substantially affected by the proposed rule as initially noticed, but who is substantially affected by the rule as a result of a change, may challenge any provision of the resulting proposed rule.

- (c) The petition shall be filed with the District. Within ten (10) days after receiving the petition, or seven (7) days if the challenge relates to an emergency rule, the Chairperson shall, if the petition complies with the requirements of subsection (b) of this section, designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer who shall conduct a hearing within thirty (30) days thereafter, or fourteen (14) days if the challenge relates to an emergency rule, unless the petition is withdrawn or a continuance is granted by agreement of the parties. The failure of the District to follow the applicable rulemaking procedures or requirements in this Rule shall be presumed to be material; however, the District may rebut this presumption by showing that the substantial interests of the petitioner and the fairness of the proceedings have not been impaired.
- (d) At the hearing, the petitioner and the District shall be adverse parties. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.
- (e) Hearings held under this section shall be de novo in nature. For proposed rules, the petitioner has the burden to prove by a preponderance of the evidence that it would be substantially affected by the proposed rule, and the District has the burden to prove by a preponderance of the evidence that the proposed rule is not an invalid exercise of delegated legislative authority as to the objections raised. For existing rules, the petitioner has a burden of proving by a preponderance of the evidence that the existing rule is an invalid exercise of District authority as to the objections raised. During the hearing, the hearing officer may:
 - (i) Administer oaths and affirmations;
 - (ii) Rule upon offers of proof and receive relevant evidence;
 - (iii) Regulate the course of the hearing, including any pre-hearing matters;
 - (iv) Enter orders; and
 - (v) Make or receive offers of settlement, stipulation, and adjustment.
- (f) Within thirty (30) days after the hearing, or fourteen (14) days of the challenge relate to an emergency rule, the hearing officer shall render a decision and state the reasons therefor in writing. The hearing officer's order shall be considered final agency action. The hearing officer may declare all or part of a proposed or existing rule invalid. For a proposed rule, the proposed rule or provision thereof declared invalid shall not be adopted unless the decision of the hearing officer is reversed on appeal. In

the event part of a proposed rule is declared invalid, the District may, in its sole discretion, withdraw the proposed rule in its entirety. For an existing rule, the rule or part thereof declared invalid shall become void when the time for filing an appeal expires. In the event that a proposed or existing rule has been declared invalid in whole or part, the District shall promptly publish notice of such occurrence published in a newspaper of general circulation within the county or counties in which the District is located.

- (15) Variances and Waivers. A “**variance**” means a decision by the District to grant a modification to all or part of the literal requirements of a rule to a person who is subject to the rule. A “**waiver**” means a decision by the District not to apply all or part of a rule to a person who is subject to the rule. Variances and waivers from District rules may be granted subject to the following:
- (a) Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person, and when application of the rule would create a substantial hardship or would violate principles of fairness. For purposes of this section, “**substantial hardship**” means a demonstrated economic, technological, legal, or other type of hardship to the person requesting the variance or waiver. For purposes of this section, “**principles of fairness**” are violated when the literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule.
 - (b) A person who is subject to regulation by a District rule may file a petition with the District, requesting a variance or waiver from the District’s rule. Each petition shall specify:
 - (i) The rule from which a variance or waiver is requested;
 - (ii) The type of action requested;
 - (iii) The specific facts that would justify a waiver or variance for the petitioner; and
 - (iv) The reason why the variance or the waiver requested would serve the purposes of the underlying statute.
 - (c) The District shall review the petition and may request only that information needed to clarify the petition or to answer new questions raised by or directly related to the petition. If the petitioner asserts that any request for additional information is not authorized by law or by rule of the District, the District shall proceed, at the petitioner’s written request, to process the petition.

- (d) The Board shall grant or deny a petition for variance or waiver and shall announce such disposition at a publicly held meeting of the Board, within ninety (90) days after receipt of the original petition, the last item of timely requested additional material, or the petitioner's written request to finish processing the petition. The District's statement granting or denying the petition shall contain a statement of the relevant facts and reasons supporting the District's action. The District shall maintain a record of the type and disposition of each petition filed.

(16) Review of Adopted Rules.

- (a) By January 1, 2026, District staff shall prepare a report that summarizes the District's existing rules anticipated to be reviewed during the current fiscal year, if any, and the recommended action on each rule (the "**Existing Rule Review Report**"). The Existing Rule Review Report shall be presented to the District's Board at a noticed Board meeting as soon as practicable after preparation by District staff. District staff shall continue to annually prepare an updated Existing Rule Review Report by January 1 of each year until all District rules have been reviewed. The District is not bound to review its existing rules in accordance with the schedule set forth in an Existing Rule Review Report, but is required to complete the review of at least twenty (20%) percent of its existing rules per year until all existing rules have been reviewed in accordance with this Section. In any event, all existing rules of the District shall be reviewed by July 1, 2030.
- (b) Any new rule adopted after July 1, 2025, must be reviewed in the fifth year following adoption. Such review must be completed before the day that marks the sixth year since the adoption of the rule.
- (c) In conducting its rule review process, the District shall determine whether each rule:
 - (i) Is a valid exercise of delegated legislative authority;
 - (ii) Has current statutory authority;
 - (iii) Reiterates or paraphrases statutory material;
 - (iv) Is in proper form;
 - (v) Is consistent with expressed legislative intent pertaining to the specific provisions of law which the rule implements;
 - (vi) Requires a technical or substantive update to reflect current use; and

- (vii) Requires updated references to statutory citations and incorporated materials.
- (d) By April 1 of each year in which a rule review is being undertaken, the District shall adopt a resolution evidencing the completion of rule review and authorizing one of the following actions relative to its rule review (the **“Rule Review Resolution”**):
 - (i) If the District determines that no change is necessary, the District Rule Review Resolution shall include the following information:
 - 1. A copy of the reviewed rule;
 - 2. A written statement of its intended action; and
 - 3. Its assessment of factors specified in Section 16(c) of this Rule.
 - (ii) If the District determines that one or more technical changes are necessary, the District Rule Review Resolution shall include the following information:

The Design Criteria Package must specify performance-based criteria for the public construction project, including the legal description of the site, survey information concerning the site, interior space requirements, material quality standards, schematic layouts and conceptual design criteria of the project, cost or budget estimates, design and construction schedules, site development requirements, provisions for utilities, stormwater retention and disposal, and parking requirements applicable to the project. - (i) **“Invitation to Bid”** is a written solicitation for sealed bids with the title, date, and hour of the public bid opening designated specifically and defining the commodity or service involved. Rule 3.1 Procedure Under the Consultants' Competitive Negotiations Act.

- (1) Scope. The following procedures are adopted for the selection of firms or individuals to provide Professional Services exceeding the thresholds herein described, for the negotiation of such contracts, and to provide for protest of actions of the Board under this Rule. As used in this Rule, “**Project**” means that fixed capital outlay study or planning activity when basic construction cost is estimated by the District to exceed the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FIVE, or for a planning study activity when the fee for Professional Services is estimated by the District to exceed the threshold amount provided in Section 287.017 for CATEGORY TWO, as such categories may be amended or adjusted from time to time.
- (2) Qualifying Procedures. In order to be eligible to provide Professional Services to the District, a consultant must, at the time of receipt of the firm's qualification submittal:
 - (a) Hold all required applicable state professional licenses in good standing;
 - (b) Hold all required applicable federal licenses in good standing, if any;
 - (c) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the consultant is a corporation; and
 - (d) Meet any qualification requirements set forth in the District's Request for Qualifications.

Evidence of compliance with this Rule may be submitted with the qualifications, if requested by the District. In addition, evidence of compliance must be submitted any time requested by the District.

- (3) Public Announcement. Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when Professional Services are required for a Project or a Continuing Contract by publishing a notice providing a general description of the Project, or the nature of the Continuing Contract, and the method for interested consultants to apply for consideration. The notice shall appear in at least one (1) newspaper of general circulation within the county or counties in which the District is located and in such other places as the District deems appropriate. The notice must allow at least fourteen (14) days for submittal of qualifications from the date of publication. The District may maintain lists of consultants interested in receiving such notices. These consultants are encouraged to submit annually statements of qualifications and performance data. The District shall make reasonable efforts to provide copies of any notices to such consultants, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process. The Board has

the right to reject any and all qualifications, and such reservation shall be included in the published notice. Consultants not receiving a contract award shall not be entitled to recover from the District any costs of qualification package preparation or submittal.

(4) Competitive Selection.

- (a) The Board shall review and evaluate the data submitted in response to the notice described in section (3) of this Rule regarding qualifications and performance ability, as well as any statements of qualifications on file. The Board shall conduct discussions with, and may require public presentation by consultants regarding their qualifications, approach to the Project, and ability to furnish the required services. The Board shall then select and list the consultants, in order of preference, deemed to be the most highly capable and qualified to perform the required Professional Services, after considering these and other appropriate criteria:
 - (i) The ability and adequacy of the professional personnel employed by each consultant;
 - (ii) Whether a consultant is a certified minority business enterprise;
 - (iii) Each consultant's past performance;
 - (iv) The willingness of each consultant to meet time and budget requirements;
 - (v) The geographic location of each consultant's headquarters, office and personnel in relation to the project;
 - (vi) The recent, current, and projected workloads of each consultant; and
 - (vii) The volume of work previously awarded to each consultant by the District.
- (b) Nothing in these Rules shall prevent the District from evaluating and eventually selecting a consultant if less than three (3) Responsive qualification packages, including packages indicating a desire not to provide Professional Services on a given Project, are received.
- (c) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

- (d) Notice of the rankings adopted by the Board, including the rejection of some or all qualification packages, shall be provided in writing to all proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Request for Qualifications. The notice shall include the following statement: Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules,” or wording to that effect. Protests of the District’s ranking decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

(5) Competitive Negotiation.

- (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as most qualified to perform the required Professional Services at a rate or amount of compensation which the Board determines is fair, competitive, and reasonable.
- (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that “wage rates and other factual unit costs supporting the compensation are accurate, complete and current at the time of contracting.” In addition, any professional service contract under which such a certificate is required, shall contain a provision that “the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs.”
- (c) Should the District be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached, those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.
- (d) Should the District be unable to negotiate a satisfactory agreement with one of the top three (3) ranked consultants, additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.

- (6) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (7) Continuing Contract. Nothing in this Rule shall prohibit a Continuing Contract between a consultant and the District.
- (8) Emergency Purchase. The District may make an Emergency Purchase without complying with these Rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Rule 3.2 Procedure Regarding Auditor Selection.

In order to comply with the requirements of Section 218.391 of the Florida Statutes, the following procedures are outlined for selection of firms or individuals to provide Auditing Services and for the negotiation of such contracts. “**Auditing Services**” means those services within the scope of the practice of a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy. For audits required under Chapter 190 of the Florida Statutes but not meeting the thresholds of Chapter 218 of the Florida Statutes, the District need not follow these procedures but may proceed with the selection of a firm or individual to provide Auditing Services and for the negotiation of such contracts in the manner the Board determines is in the best interests of the District.

- (1) Establishment of Auditor Selection Committee. Prior to a public announcement under section (3) of this Rule that Auditing Services are required, the Board shall establish an auditor selection committee (“**Committee**”), the primary purpose of which is to assist the Board in selecting an auditor to conduct the annual financial audit required by Section 218.39 of the Florida Statutes. The Committee shall include at least three individuals, at least one of which must also be a member of the Board. The establishment and selection of the Committee must be conducted at a publicly noticed and held meeting of the Board. The Chairperson of the Committee must be a member of the Board. An employee, a chief executive officer, or a chief financial officer of the District may not serve as a member of the Committee; provided however such individual may serve the Committee in an advisory capacity.
- (2) Establishment of Minimum Qualifications and Evaluation Criteria. Prior to a public announcement under section (3) of this Rule that Auditing Services are required, the Committee shall meet at a publicly noticed meeting to establish minimum qualifications and factors to use for the evaluation of Auditing Services to be provided by a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.
 - (a) Minimum Qualifications. In order to be eligible to submit a proposal, a firm must, at all relevant times including the time of receipt of the proposal by the District:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation; and
- (iv) Meet any pre-qualification requirements established by the Committee and set forth in the RFP or other specifications.

If requested in the RFP or other specifications, evidence of compliance with the minimum qualifications as established by the Committee must be submitted with the proposal.

- (b) **Evaluation Criteria.** The factors established for the evaluation of Auditing Services by the Committee shall include, but are not limited to:
 - (i) Ability of personnel;
 - (ii) Experience;
 - (iii) Ability to furnish the required services; and
 - (iv) Such other factors as may be determined by the Committee to be applicable to its particular requirements.

The Committee may also choose to consider compensation as a factor. If the Committee establishes compensation as one of the factors, compensation shall not be the sole or predominant factor used to evaluate proposals.

- (3) **Public Announcement.** After identifying the factors to be used in evaluating the proposals for Auditing Services as set forth in section (2) of this Rule, the Committee shall publicly announce the opportunity to provide Auditing Services. Such public announcement shall include a brief description of the audit and how interested firms can apply for consideration and obtain the RFP. The notice shall appear in at least one (1) newspaper of general circulation within the county or counties in which the District is located. The public announcement shall allow for at least seven (7) days for the submission of proposals.
- (4) **Request for Proposals.** The Committee shall provide interested firms with a Request for Proposals (“**RFP**”). The RFP shall provide information on how proposals are to be evaluated and such other information the Committee determines is necessary for the firm to prepare a proposal. The RFP shall state the time and place for submitting proposals, which may be submitted either electronically or via hard copy as determined by the District and provided for in the RFP. For the avoidance of doubt, the Proposals shall not be required to be publicly opened at the date, time, and place provided for in the RFP relative to the submission of Proposals.

- (5) Committee's Evaluation of Proposals and Recommendation. The Committee shall meet at a publicly held meeting that is publicly noticed for a reasonable time in advance of the meeting to evaluate all qualified proposals and may, as part of the evaluation, require that each interested firm provide a public presentation where the Committee may conduct discussions with the firm, and where the firm may present information, regarding the firm's qualifications. At the public meeting, the Committee shall rank and recommend in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services after considering the factors established pursuant to subsection (2)(b) of this Rule. If fewer than three firms respond to the RFP or if no firms respond to the RFP, the Committee shall recommend such firm as it deems to be the most highly qualified. Notwithstanding the foregoing, the Committee may recommend that any and all proposals be rejected.
- (6) Board Selection of Auditor.
- (a) Where compensation was not selected as a factor used in evaluating the proposals, the Board shall negotiate with the firm ranked first and inquire of that firm as to the basis of compensation. If the Board is unable to negotiate a satisfactory agreement with the first ranked firm at a price deemed by the Board to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the Board shall immediately begin negotiations with the second ranked firm. If a satisfactory agreement with the second ranked firm cannot be reached, those negotiations shall be terminated and negotiations with the third ranked firm shall be undertaken. The Board may reopen formal negotiations with any one of the three top-ranked firms, but it may not negotiate with more than one firm at a time. If the Board is unable to negotiate a satisfactory agreement with any of the selected firms, the Committee shall recommend additional firms in order of the firms' respective competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
 - (b) Where compensation was selected as a factor used in evaluating the proposals, the Board shall select the highest-ranked qualified firm or document in its public records the reason for not selecting the highest-ranked qualified firm.
 - (c) In negotiations with firms under this Rule, the Board may allow the District Manager, District Counsel, or other designee to conduct negotiations on its behalf.
 - (d) Notwithstanding the foregoing, the Board may reject any or all proposals. The Board shall not consider any proposal, or enter into any contract for Auditing Services, unless the proposed agreed-upon compensation is

reasonable to satisfy the requirements of Section 218.39 of the Florida Statutes, and the needs of the District.

- (7) Contract. Any agreement reached under this Rule shall be evidenced by a written contract, which may take the form of an engagement letter signed and executed by both parties. The written contract shall include all provisions and conditions of the procurement of such services and shall include, at a minimum, the following:
- (a) A provision specifying the services to be provided and fees or other compensation for such services;
 - (b) A provision requiring that invoices for fees or other compensation be submitted in sufficient detail to demonstrate compliance with the terms of the contract;
 - (c) A provision setting forth deadlines for the auditor to submit a preliminary draft audit report to the District for review and to submit a final audit report no later than June 30 of the fiscal year that follows the fiscal year for which the audit is being conducted;
 - (d) A provision specifying the contract period, including renewals, and conditions under which the contract may be terminated or renewed. The maximum contract period including renewals shall be five (5) years. A renewal may be done without the use of the auditor selection procedures provided in this Rule but must be in writing.
 - (e) Provisions required by law that require the auditor to comply with public records laws.
- (8) Notice of Award. Once a negotiated agreement with a firm or individual is reached, or the Board authorizes the execution of an agreement with a firm where compensation was a factor in the evaluation of proposals, notice of the intent to award, including the rejection of some or all proposals, shall be provided in writing to all proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the RFP. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests regarding the award of contracts under this Rule shall be as provided for in Rule 3.11. No proposer shall be entitled to recover any costs of proposal preparation or submittal from the District.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Rule 3.3 Purchase of Insurance.

- (1) Scope. The purchases of life, health, accident, hospitalization, legal expense, or annuity insurance, or all of any kinds of such insurance for the officers and employees of the District, and for health, accident, hospitalization, and legal expenses upon a group insurance plan by the District, shall be governed by this Rule. This Rule does not apply to the purchase of any other type of insurance by the District, including but not limited to liability insurance, property insurance, and directors and officers insurance. Nothing in this Rule shall require the District to purchase insurance.
- (2) Procedure. For a purchase of insurance within the scope of these Rules, the following procedure shall be followed:
 - (a) The Board shall cause to be prepared a Notice of Invitation to Bid.
 - (b) Notice of the Invitation to Bid shall be advertised at least once in a newspaper of general circulation within the county or counties in which the District is located. The notice shall allow at least fourteen (14) days for submittal of bids.
 - (c) The District may maintain a list of persons interested in receiving notices of Invitations to Bid. The District shall make reasonable efforts to provide copies of any notices to such persons, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process.
 - (d) Bids shall be opened at the time and place noted in the Invitation to Bid.
 - (e) If only one (1) response to an Invitation is received, the District may proceed with the purchase. If no response to an Invitation to Bid is received, the District may take whatever steps are reasonably necessary in order to proceed with the purchase.
 - (f) The Board has the right to reject any and all bids and such reservations shall be included in all solicitations and advertisements.
 - (g) Simultaneously with the review of the submitted bids, the District may undertake negotiations with those companies that have submitted reasonable and timely bids and, in the opinion of the District, are fully qualified and capable of meeting all services and requirements. Bid responses shall be evaluated in accordance with the specifications and criteria contained in the Invitation to Bid; in addition, the total cost to the District, the cost, if any, to the District officers, employees, or their dependents, the geographic location of the company's headquarters and offices in relation to the District, and the ability of the company to guarantee

premium stability may be considered. A contract to purchase insurance shall be awarded to that company whose response to the Invitation to Bid best meets the overall needs of the District, its officers, employees, and/or dependents.

- (h) Notice of the intent to award, including rejection of some or all bids, shall be provided in writing to all proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Invitation to Bid. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of insurance under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 112.08, Fla. Stat.

Rule 3.4 Pre-qualification

- (1) Scope. In its discretion, the District may undertake a pre-qualification process in accordance with this Rule for vendors to provide construction services, goods, supplies, and materials, Contractual Services, and maintenance services.
- (2) Procedure. When the District seeks to pre-qualify vendors, the following procedures shall apply:
 - (a) The Board shall cause to be prepared a Request for Qualifications.
 - (b) For construction services exceeding the thresholds described in Section 255.20 of the Florida Statutes, the Board must advertise the proposed pre-qualification criteria and procedures and allow at least seven (7) days' notice of the public hearing for comments on such pre-qualification criteria and procedures. At such public hearing, potential vendors may object to such pre-qualification criteria and procedures. Following such public hearing, the Board shall formally adopt pre-qualification criteria and procedures prior to the advertisement of the Request for Qualifications for construction services.
 - (c) The Request for Qualifications shall be advertised at least once in a newspaper of general circulation within the county or counties in which the project is located. The notice shall allow at least seven (7) days for submittal of qualifications for goods, supplies and materials, Contractual Services, maintenance services, and construction services under two hundred fifty thousand dollars (\$250,000). The notice shall allow at least twenty-one (21) days for submittal of qualifications for construction services estimated to cost over two hundred fifty thousand dollars (\$250,000) and thirty (30) days for construction services estimated to cost over five hundred thousand dollars (\$500,000).
 - (d) The District may maintain lists of persons interested in receiving notices of Requests for Qualifications. The District shall make a good faith effort to provide written notice, by e-mail, United States Mail, hand delivery, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any pre-qualification determination or contract awarded in accordance with these Rules and shall not be a basis for a protest of any pre-qualification determination or contract award.
 - (e) If the District has pre-qualified vendors for a particular category of purchase, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies or responses in response to the applicable Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

- (f) In order to be eligible to submit qualifications, a firm or individual must, at the time of receipt of the qualifications:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Request for Qualifications.

Evidence of compliance with these Rules must be submitted with the qualifications if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the qualifications.

- (g) Qualifications shall be presented to the Board, or a committee appointed by the Board, for evaluation in accordance with the Request for Qualifications and this Rule. Minor variations in the qualifications may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature.
- (h) All vendors determined by the District to meet the pre-qualification requirements shall be pre-qualified. To assure full understanding of the responsiveness to the requirements contained in a Request for Qualifications, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion and revision of qualifications. For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified to perform the project.
- (i) The Board shall have the right to reject all qualifications if there are not enough to be competitive or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of qualification preparation or submittal from the District.
- (j) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

- (k) Notice of intent to pre-qualify, including rejection of some or all qualifications, shall be provided in writing to all proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Request for Qualifications. The notice shall include the following statement: “Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules,” or wording to that effect. Protests of the District’s pre-qualification decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11; provided however, protests related to the pre-qualification criteria and procedures for construction services shall be resolved in accordance with section (2)(b) of this Rule and Section 255.20(1)(b) of the Florida Statutes.

(2) Suspension, Revocation, or Denial of Qualification

- (a) The District, for good cause, may deny, suspend, or revoke a prequalified vendor’s pre-qualified status. A suspension, revocation, or denial for good cause shall prohibit the vendor from bidding on any District construction contract for which qualification is required, shall constitute a determination of non-responsibility to bid on any other District construction or maintenance contract, and shall prohibit the vendor from acting as a material supplier or subcontractor on any District contract or project during the period of suspension, revocation, or denial. Good cause shall include the following:
 - (i) One of the circumstances specified under Section 337.16(2), Fla. Stat., has occurred.
 - (ii) Affiliated contractors submitted more than one proposal for the same work. In this event the pre-qualified status of all of the affiliated bidders will be revoked, suspended, or denied. All bids of affiliated bidders will be rejected.
 - (iii) The vendor made or submitted false, deceptive, or fraudulent statements, certifications, or materials in any claim for payment or any information required by any District contract.
 - (iv) The vendor or its affiliate defaulted on any contract or a contract surety assumed control of financial responsibility for any contract of the vendor.
 - (v) The vendor’s qualification to bid is suspended, revoked, or denied by any other public or semi-public entity, or the vendor has been the

subject of a civil enforcement proceeding or settlement involving a public or semi-public entity.

- (vi) The vendor failed to comply with contract or warranty requirements or failed to follow District direction in the performance of a contract.
- (vii) The vendor failed to timely furnish all contract documents required by the contract specifications, special provisions, or by any state or federal statutes or regulations. If the vendor fails to furnish any of the subject contract documents by the expiration of the period of suspension, revocation, or denial set forth above, the vendor's pre-qualified status shall remain suspended, revoked, or denied until the documents are furnished.
- (viii) The vendor failed to notify the District within 10 days of the vendor, or any of its affiliates, being declared in default or otherwise not completing work on a contract or being suspended from qualification to bid or denied qualification to bid by any other public or semi-public agency.
- (ix) The vendor did not pay its subcontractors or suppliers in a timely manner or in compliance with contract documents.
- (x) The vendor has demonstrated instances of poor or unsatisfactory performance, deficient management resulting in project delay, poor quality workmanship, a history of payment of liquidated damages, untimely completion of projects, uncooperative attitude, contract litigation, inflated claims or defaults.
- (xi) An affiliate of the vendor has previously been determined by the District to be non-responsible, and the specified period of suspension, revocation, denial, or non-responsibility remains in effect.
- (xii) The vendor or affiliate(s) has been convicted of a contract crime.
 - 1. The term "**contract crime**" means any violation of state or federal antitrust laws with respect to a public contract or any violation of any state or federal law involving fraud, bribery, collusion, conspiracy, or material misrepresentation with respect to a public contract.
 - 2. The term "**convicted**" or "**conviction**" means a finding of guilt or a conviction of a contract crime, with or without an adjudication of guilt, in any federal or state trial court of

record as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

- (b) A denial, suspension, or revocation shall prohibit the vendor from being a subcontractor on District work during the period of denial, suspension, or revocation, except when a prime contractor's bid has used prices of a subcontractor who becomes disqualified after the bid, but before the request for authorization to sublet is presented.
- (c) The District shall inform the vendor in writing of its intent to deny, suspend, or revoke its pre-qualified status and inform the vendor of its right to a hearing, the procedure which must be followed, and the applicable time limits. If a hearing is requested within 10 days after the receipt of the notice of intent, the hearing shall be held within 30 days after receipt by the District of the request for the hearing. The decision shall be issued within 15 days after the hearing.
- (d) Such suspension or revocation shall not affect the vendor's obligations under any preexisting contract.
- (e) In the case of contract crimes, the vendor's pre-qualified status under this Rule shall be revoked indefinitely. For all violations of Rule 3.4(3)(a) other than for the vendor's conviction for contract crimes, the revocation, denial, or suspension of a vendor's pre-qualified status under this Rule shall be for a specific period of time based on the seriousness of the deficiency.

Examples of factors affecting the seriousness of a deficiency are:

- (i) Impacts on project schedule, cost, or quality of work;
- (ii) Unsafe conditions allowed to exist;
- (iii) Complaints from the public;
- (iv) Delay or interference with the bidding process;
- (v) The potential for repetition;
- (vi) Integrity of the public contracting process;
- (vii) Effect on the health, safety, and welfare of the public.

Rule 3.5 Construction Contracts, Not Design-Build.

- (1) Scope. All contracts for the construction or improvement of any building, structure, or other public construction works authorized by Chapter 190 of the Florida Statutes, the costs of which are estimated by the District in accordance with generally accepted cost accounting principles to be in excess of the threshold amount for applicability of Section 255.20 of the Florida Statutes, as that amount may be indexed or amended from time to time, shall be let under the terms of these Rules and the procedures of Section 255.20 of the Florida Statutes, as the same may be amended from time to time. A project shall not be divided solely to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of construction services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the county or counties in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least twenty-one (21) days for submittal of sealed bids, proposals, replies, or responses, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of bids, proposals, replies, or responses. If the Board has previously pre-qualified contractors pursuant to Rule 3.4 and determined that only the contractors that have been pre-qualified will be permitted to submit bids, proposals, replies, and responses, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation need not be published. Instead, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be sent to the pre-qualified contractors by e-mail (with a delivery and read receipt), United States Mail, hand delivery, or overnight delivery service.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by e-mail, United States Mail, hand delivery, or to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.

- (d) If the District has pre-qualified providers of construction services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses to Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations.
- (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the bidder is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to, reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response, if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or

Competitive Solicitation and these Rules. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.

- (g) The lowest Responsive Bid submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No contractor shall be entitled to recover any costs of bid, proposal, response, or reply preparation or submittal from the District.
- (i) The Board may require potential contractors to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase construction services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of construction services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the construction services without further competitive selection processes.
- (k) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board

with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

- (1) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses, shall be provided in writing to all proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of construction services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
- (3) Sole Source; Government. Construction services that are only available from a single source are exempt from this Rule. Construction services provided by governmental agencies are exempt from this Rule. This Rule shall not apply to the purchase of construction services, which may include goods, supplies, or materials, that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules. A contract for construction services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
- (4) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (5) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board Meeting.
- (6) Exceptions. This Rule is inapplicable when:
 - (a) The project is undertaken as repair or maintenance of an existing public facility;
 - (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
 - (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contract; or

- (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 119.0701, 189.053, 190.033, 255.0518, 255.0525, 255.20, 287.055, Fla. Stat.

Rule 3.6 Construction Contracts, Design-Build.

- (1) Scope. The District may utilize Design-Build Contracts for any public construction project for which the Board determines that use of such contract is in the best interest of the District. When letting a Design-Build Contract, the District shall use the following procedure:
- (2) Procedure.
 - (a) The District shall utilize a Design Criteria Professional meeting the requirements of Section 287.055(2)(k) of the Florida Statutes, when developing a Design Criteria Package, evaluating the proposals and qualifications submitted by Design-Build Firms, and determining compliance of the project construction with the Design Criteria Package. The Design Criteria Professional may be an employee of the District, may be the District Engineer selected by the District pursuant to Section 287.055 of the Florida Statutes, or may be retained pursuant to Rule 3.1. The Design Criteria Professional is not eligible to render services under a Design-Build Contract executed pursuant to the Design Criteria Package.
 - (b) A Design Criteria Package for the construction project shall be prepared and sealed by the Design Criteria Professional. If the project utilizes existing plans, the Design Criteria Professional shall create a Design Criteria Package by supplementing the plans with project specific requirements, if any.
 - (c) The Board may either choose to award the Design-Build Contract pursuant to the competitive proposal selection process set forth in Section 287.055(9) of the Florida Statutes, or pursuant to the qualifications-based selection process pursuant to Rule 3.1.
 - (i) Qualifications-Based Selection. If the process set forth in Rule 3.1 is utilized, subsequent to competitive negotiations, a guaranteed maximum price and guaranteed completion date shall be established.
 - (ii) Competitive Proposal-Based Selection. If the competitive proposal selection process is utilized, the Board, in consultation with the Design Criteria Professional, shall establish the criteria, standards and procedures for the evaluation of Design-Build Proposals based on price, technical, and design aspects of the project, weighted for the project. After a Design Criteria Package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited pursuant to the design criteria by the following procedure:

1. A Request for Proposals shall be advertised at least once in a newspaper of general circulation within the county in which the project is located. The notice shall allow at least twenty-one (21) days for submittal of sealed proposals, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of proposals.
2. The District may maintain lists of persons interested in receiving notices of Requests for Proposals. The District shall make a good faith effort to provide written notice, by e-mail, United States Mail, hand delivery, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
3. In order to be eligible to submit a proposal, a firm must, at the time of receipt of the proposals:
 - a. Hold the required applicable state professional licenses in good standing, as defined by Section 287.055(2)(h) of the Florida Statutes;
 - b. Hold all required applicable federal licenses in good standing, if any;
 - c. Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation;
 - d. Meet any special pre-qualification requirements set forth in the Request for Proposals and Design Criteria Package.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may

be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the proposal if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the proposal.

4. The proposals, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. In consultation with the Design Criteria Professional, the Board shall evaluate the proposals received based on evaluation criteria and procedures established prior to the solicitation of proposals, including but not limited to qualifications, availability, and past work of the firms and the partners and members thereof. The Board shall then select no fewer than three (3) Design-Build Firms as the most qualified.
5. The Board shall have the right to reject all proposals if the proposals are too high, or rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of proposal preparation or submittal from the District.
6. If less than three (3) Responsive Proposals are received, the District may purchase design-build services or may reject the proposals for lack of competitiveness. If no Responsive Proposals are received, the District may proceed with the procurement of design-build services in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the design-build services without further competitive selection processes.
7. Notice of the rankings adopted by the Board, including the rejection of some or all proposals, shall be provided in writing to all proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of

the Board meeting where the proposals were evaluated if so provided for in the Design Criteria Package. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's rankings under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

8. The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards and shall establish a price which the Board determines is fair, competitive and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most qualified firm, based on the ranking by the evaluation standards. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the second most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the third most qualified firm. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the third most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached or the list of firms is exhausted.
9. After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.
10. The Design Criteria Professional shall evaluate the compliance of the detailed working drawings and project construction with the Design Criteria Package and shall provide the Board with a report of the same.

- (3) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.

- (4) Emergency Purchase. The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified Design-Build Firm available at the time. The fact that an Emergency Purchase has occurred shall be noted in the minutes of the next Board meeting.
- (5) Exceptions. This Rule is inapplicable when:
 - (a) The project is undertaken as repair or maintenance of an existing public facility;
 - (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
 - (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contractor; or
 - (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 119.0701, 189.053, 190.033, 255.0518, 255.0525, 255.20, 287.055, Fla. Stat.

Rule 3.7 Payment and Performance Bonds.

- (1) Scope. This Rule shall apply to contracts for the construction of a public building, for the prosecution and completion of a public work, or for repairs upon a public building or public work and shall be construed in addition to terms prescribed by any other Rule that may also apply to such contracts.
- (2) Required Bond. Upon entering into a contract for any of the services described in section (1) of this Rule in excess of \$200,000, the Board shall require that the contractor, before commencing the work, execute and record a payment and performance bond, or other acceptable surety, in an amount equal to the contract price. Notwithstanding the terms of the contract or any other law, the District may not make payment to the contractor until the contractor has provided to the District a certified copy of the recorded bond.
- (3) Discretionary Bond. At the discretion of the Board, upon entering into a contract for any of the services described in section (1) of this Rule for an amount not exceeding \$200,000, the contractor may be exempted from executing a payment and performance bond.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 255.05, Fla. Stat.

Rule 3.8 Goods, Supplies, and Materials.

- (1) Purpose and Scope. All purchases of goods, supplies, or materials exceeding the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, shall be purchased under the terms of this Rule. Contracts for purchases of “**goods, supplies, and materials**” do not include printing, insurance, advertising, or legal notices. A contract involving goods, supplies, or materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of goods, supplies, or materials is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county or counties in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, or Competitive Solicitations. The District shall make a good faith effort to provide written notice, by e-mail, United States Mail, hand delivery, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of goods, supplies, and materials, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

Any firm or individual whose principal place of business is outside the State of Florida must also submit a written opinion of an attorney at law licensed to practice law in that foreign state, as to the preferences, if any or none, granted by the law of that foreign state to business entities whose principal places of business are in that foreign state, in the letting of any or all public contracts. Failure to submit such a written opinion or submission of a false or misleading written opinion may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and this Rule. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid, after taking into account the preferences provided for in this subsection, submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be accepted. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which does not grant a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsive and Responsible Bidder whose principal place of business is in the State of

Florida shall be awarded a preference of five (5) percent. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which grants a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsible and Responsive Bidder whose principal place of business is in the State of Florida shall be awarded a preference equal to the preference granted by such foreign state.

To assure full understanding of the responsiveness to the solicitation requirements contained in an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.

- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.
- (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of goods, supplies, and materials under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
- (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase goods, supplies, or materials, or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of goods, supplies, and materials, in the manner the Board determines is in the best interests of the District, which

may include but is not limited to a direct purchase of the goods, supplies, and materials without further competitive selection processes.

- (3) Goods, Supplies, and Materials included in a Construction Contract Awarded Pursuant to Rule 3.5 or 3.6. There may be occasions where the District has undergone the competitive purchase of construction services which contract may include the provision of goods, supplies, or materials. In that instance, the District may approve a change order to the contract and directly purchase the goods, supplies, and materials. Such purchase of goods, supplies, and materials deducted from a competitively purchased construction contract shall be exempt from this Rule.
- (4) Exemption. Goods, supplies, and materials that are only available from a single source are exempt from this Rule. Goods, supplies, and materials provided by governmental agencies are exempt from this Rule. A contract for goods, supplies, or materials is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process. This Rule shall not apply to the purchase of goods, supplies or materials that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules.
- (5) Renewal. Contracts for the purchase of goods, supplies, and/or materials subject to this Rule may be renewed for a maximum period of five (5) years.
- (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Rule 3.9 Maintenance Services.

- (1) Scope. All contracts for maintenance of any District facility or project shall be set under the terms of this Rule if the cost exceeds the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR. A contract involving goods, supplies, and materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of maintenance services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the county or counties in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by e-mail, United States Mail, hand delivery, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of maintenance services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, and responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of

the Florida Statutes, if the vendor is a corporation; and

- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and these Rules. Minor variations in the bids, proposals, replies, and responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid submitted in response to an Invitation to Bid by a Responsive and Responsible Bidder shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate or Competitive Solicitation the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, or responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No Vendor shall be entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.

- (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
 - (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. The notice shall include the following statement: “Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules,” or wording to that effect. Protests of the District’s procurement of maintenance services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
 - (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase the maintenance services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of maintenance services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the maintenance services without further competitive selection processes.
- (3) Exemptions. Maintenance services that are only available from a single source are exempt from this Rule. Maintenance services provided by governmental agencies are exempt from this Rule. A contract for maintenance services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
- (4) Renewal. Contracts for the purchase of maintenance services subject to this Rule may be renewed for a maximum period of five (5) years.
- (5) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), 190.033, Fla. Stat.
Law Implemented: §§ 119.0701, 190.033, 287.017, Fla. Stat.

Rule 3.10 Contractual Services.

- (1) Exemption from Competitive Purchase. Pursuant to Section 190.033(3) of the Florida Statutes, Contractual Services shall not be subject to competitive purchasing requirements. If an agreement is predominantly for Contractual Services, but also includes maintenance services or the purchase of goods and services, the contract shall not be subject to competitive purchasing requirements. Regardless of whether an advertisement or solicitation for Contractual Services is identified as an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, no rights or remedies under these Rules, including but not limited to protest rights, are conferred on persons, firms, or vendors proposing to provide Contractual Services to the District.
- (2) Contracts; Public Records. In accordance with Florida law, each contract for Contractual Services shall include provisions required by law that require the contractor to comply with public records laws.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 119.0701, 190.011(3), 190.033, Fla. Stat.

Rule 3.11 Protests with Respect to Proceedings under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, and 3.9.

The resolution of any protests with respect to proceedings under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, and 3.9 shall be in accordance with this Rule.

(1) Filing.

- (a) With respect to a protest regarding qualifications, specifications, documentation, or other requirements contained in a Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation issued by the District, the notice of protest shall be filed in writing within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after the first advertisement of the Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's intended decision. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (b) Except for those situations covered by subsection (1)(a) of this Rule, any firm or person who is affected adversely by a District's ranking or intended award under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, or 3.9 and desires to contest the District's ranking or intended award, shall file with the District a written notice of protest within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after receipt of the notice of the District's ranking or intended award or after posting on the District's website if so provided for in the Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's ranking or intended award. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (c) If the requirement for the posting of a protest bond and the amount of the protest bond, which may be expressed by a percentage of the contract to be

awarded or a set amount, is disclosed in the District's competitive solicitation documents for a particular purchase under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, or 3.9, any person who files a notice of protest must post the protest bond. The amount and form of the protest bond shall be determined by District staff after consultation with the Board and within the limits, if any, imposed by Florida law. In the event the protest is successful, the protest bond shall be refunded to the protestor. In the event the protest is unsuccessful, the protest bond shall be applied towards the District's costs, expenses, and attorney's fees associated with hearing and defending the protest. In the event the protest is settled by mutual agreement of the parties, the protest bond shall be distributed as agreed to by the District and protestor.

- (d) The District does not accept documents filed by e-mail or facsimile transmission. Filings are only accepted during normal business hours.
- (2) Contract Execution. Upon receipt of a notice of protest which has been timely filed, the District shall not execute the contract under protest until the subject of the protest is resolved. However, if the District sets forth in writing particular facts and circumstances showing that delay incident to protest proceedings will jeopardize the funding for the project, will materially increase the cost of the project, or will create an immediate and serious danger to the public health, safety, or welfare, the contract may be executed.
- (3) Informal Proceeding. If the Board determines a protest does not involve a disputed issue of material fact, the Board may, but is not obligated to, schedule an informal proceeding to consider the protest. Such informal proceeding shall be at a time and place determined by the Board. Notice of such proceeding shall be sent via e-mail (with a delivery and read receipt), United States Mail, or hand delivery to the protestor and any substantially affected persons or parties not less than three (3) calendar days prior to such informal proceeding. Within thirty (30) calendar days following the informal proceeding, the Board shall issue a written decision setting forth the factual, legal, and policy grounds for its decision.
- (4) Formal Proceeding. If the Board determines a protest involves disputed issues of material fact or if the Board elects not to use the informal proceeding process provided for in section (3) of this Rule, the District shall schedule a formal hearing to resolve the protest. The Chairperson shall designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer to conduct the hearing. The hearing officer may:
 - (a) Administer oaths and affirmations;
 - (b) Rule upon offers of proof and receive relevant evidence;
 - (c) Regulate the course of the hearing, including any pre-hearing matters;

- (d) Enter orders; and
- (e) Make or receive offers of settlement, stipulation, and adjustment.

The hearing officer shall, within thirty (30) days after the hearing or receipt of the hearing transcript, whichever is later, file a recommended order which shall include a caption, time and place of hearing, appearances entered at the hearing, statement of the issues, findings of fact and conclusions of law, separately stated, and a recommendation for final District action. The District shall allow each party fifteen (15) days in which to submit written exceptions to the recommended order. The District shall issue a final order within sixty (60) days after the filing of the recommended order.

- (5) Rejection of all Qualifications, Bids, Proposals, Replies and Responses after Receipt of Notice of Protest. If the Board determines there was a violation of law, defect, or an irregularity in the competitive solicitation process, the Bids, Proposals, Replies, and Responses are too high, or if the Board determines it is otherwise in the District's best interest, the Board may reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew. If the Board decides to reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew, any pending protests shall automatically terminate.
- (6) Judicial Review. A party who is adversely affected by final District action is entitled to judicial review. Judicial review shall be sought in the county where the District is located. All proceedings shall be instituted by filing a notice of appeal or petition for review in accordance with the Florida Rules of Appellate Procedure within thirty (30) calendar days after the rendition of the decision being appealed. The filing of an appeal does not itself stay enforcement of the final District decision. Judicial review of any District action shall be confined to the record transmitted. The record for judicial review shall be compiled in accordance with the Florida Rules of Appellate Procedure. Failure to file a notice of appeal or petition for review within the time prescribed herein shall constitute a waiver of judicial review proceedings.
- (7) Intervenors. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.
- (8) Settlement. Nothing herein shall preclude the settlement of any protest under this Rule at any time.

- k. Committing or is alleged, in good faith, to have committed a crime on or off District property that leads the District to reasonably believe the health, safety or welfare of the District, its staff, contractors, representatives, residents, landowners, [Patrons, or guests is likely endangered;
- l. Engaging in another Violation after a verbal warning has been given by staff (which verbal warning is not required); or
- m. Such person's guest or a member of their household commits any of the above Violations.

Termination of Amenities access shall only be considered and implemented by the Board in situations that pose a long term or continuing threat to the health, safety and/or welfare of the District, its staff, contractors, representatives, residents, landowners, Patrons, or guests. The Board, in its sole discretion and upon motion of any Board member, may vote to rescind a termination of Amenities access.

- 5. Administrative Reimbursement. The Board may in its discretion require payment of an administrative reimbursement of up to Five Hundred Dollars (\$500) in order to offset the legal and/or administrative expenses incurred by the District as a result of a Violation ("Administrative Reimbursement"). Such Administrative Reimbursement shall be in addition to any suspension or termination of Amenities access, any applicable legal action warranted by the circumstances, and/or any Property Damage Reimbursement (defined below).
- 6. Property Damage Reimbursement. If damage to District property occurred in connection with a Violation, the person or persons who caused the damage, or the person whose guest caused the damage, or the person who has charge of a minor that caused the damage, shall reimburse

the District for the costs of cleaning, repairing, and/or replacing the property (“Property Damage Reimbursement”). Such Property Damage Reimbursement shall be in addition to any suspension or termination of Amenities access, any applicable legal action warranted by the circumstances, and/or any Administrative Reimbursement.

7. Removal from Amenities. The District Manager, General Manager, Amenity Manager and onsite staff each have the independent ability to remove any person from the Amenities if a Violation occurs, or if in his or her discretion, it is in the District’s best interest to do so.
8. Initial Suspension from Amenities. The District Manager, General Manager, Amenity Manager or his or her designee may at any time restrict or suspend for cause or causes, including but not limited to a Violation, any person’s access to the Amenities until a date not later than the next regularly scheduled meeting date of the Board that is scheduled to occur at least twenty-one (21) days after the date of initial suspension. In the event of such a suspension, the District Manager or his or her designee shall mail a letter to the person suspended referencing the conduct at issue, the sections of the District’s rules and policies violated, the time, date, and location of the next regular Board meeting where the person’s suspension will be presented to the Board, and a statement that the person has a right to appear before the Board and offer testimony and evidence why the suspension should be lifted. If the person is a minor, the letter shall be sent to the adults at the address within the community where the minor resides.
9. Hearing by the Board; Administrative Reimbursement; Property Damage Reimbursement.
 - a. At the Board meeting referenced in the letter sent under Section 8 above, or as soon thereafter as a Board meeting is held if the meeting referenced in the letter is canceled, a hearing shall be held at which both District staff and the person subject to the suspension shall be given the opportunity to appear, present testimony and evidence, cross examine witnesses present, and make arguments. The Board may also ask questions of District staff, the person subject to the suspension, and witnesses present. All persons are entitled to be represented by a licensed Florida attorney at such hearing.
 - b. After the presentations by District staff and the person subject to the suspension, the Board shall consider the facts and circumstances and determine whether to lift or extend the suspension or impose a termination. In determining the length of any suspension, or a termination, the Board shall consider the nature of the conduct, the circumstances of the conduct, the number of rules or policies violated, the person’s escalation or de-escalation of the situation, and any prior Violations and/or suspensions
 - c. The Board shall also determine whether an Administrative Reimbursement is warranted and, if so, set the amount of such Administrative Reimbursement.
 - d. The Board shall also determine whether a Property Damage Reimbursement is warranted and, if so, set the amount of such Property Damage Reimbursement. If the cost to clean, repair and/or replace the property is not yet available, the Property Damage Reimbursement

shall be fixed at the next regularly scheduled Board meeting after the cost to clean, repair, and/or replace the property is known.

- e. After the conclusion of the hearing, the District Manager shall mail a letter to the person suspended identifying the Board's determination at such hearing.
10. Suspension by the Board. The Board on its own initiative acting at a noticed public meeting may elect to consider a suspension of a person's access for committing any of the Violations outlined in Section 4. In such circumstance, a letter shall be sent to the person suspended which contains all the information required by Section 8, and the hearing shall be conducted in accordance with Section 9.
11. Automatic Extension of Suspension for Non-Payment. Unless there is an affirmative vote of the Board otherwise, no suspension or termination will be lifted or expire until all Administrative Reimbursements and Property Damage Reimbursements have been paid to the District. If an Administrative Reimbursement or Property Damage Reimbursement is not paid by its due date, the District reserves the right to request surrender of, or deactivate, all Access Cards or key fobs associated with an address within the District until such time as the outstanding amounts are paid.
12. Appeal of Board Suspension. After the hearing held by the Board required by Section 9, a person subject to a suspension or termination may appeal the suspension or termination, or the assessment or amount of an Administrative Reimbursement or Property Damage Reimbursement, to the Board by filing a written request for an appeal ("Appeal Request"). The filing of an Appeal Request shall not result in the stay of the suspension or termination. The Appeal Request shall be filed within thirty (30) calendar days after mailing of the notice of the Board's determination as required by Section 9(e), above. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file an Appeal Request shall constitute a waiver of all rights to protest the District's suspension or termination, and shall constitute a failure to exhaust administrative remedies. The District shall consider the appeal at a Board meeting and shall provide reasonable notice to the person of the Board meeting where the appeal will be considered. At the appeal stage, no new evidence shall be offered or considered. Instead, the appeal is an opportunity for the person subject to the suspension or termination to argue, based on the evidence elicited at the hearing, why the suspension or termination should be reduced or vacated. The Board may take any action deemed by it in its sole discretion to be appropriate under the circumstances, including affirming, overturning, or otherwise modifying the suspension or termination. The Board's decision on appeal shall be final.
13. Legal Action; Criminal Prosecution; Trespass. If any person is found to have committed a Violation, such person may additionally be subject to arrest for trespassing or other applicable legal action, civil or criminal in nature. If a person subject to a suspension or termination is found at the Amenities, such Person will be subject to arrest for trespassing. If a trespass warrant is issued to a person by a law enforcement agency, the District has no obligation to seek a withdrawal or termination of the trespass warrant even though the issuance of the

trespass warrant may effectively prevent a person from using the District's Amenities after expiration of a suspension imposed by the District.

14. Severability. If any section, paragraph, clause or provision of this rule shall be held to be invalid or ineffective for any reason, the remainder of this rule shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this rule would have been adopted despite the invalidity or ineffectiveness of such section.

Any change in the scope of requested services and the corresponding fee amendment shall comply with the amendment procedure in this Agreement. Such amendment must be validly executed by the Parties before Contractor is authorized to begin providing services pursuant to the change in scope and the revised fees are adopted.
- B.** Services will be billed monthly pursuant to the fee schedule shown in **Exhibit B**. Additional work or services, as such terms are used in Section 5.C, will either be billed monthly at the Contractor's proposed hourly rate or per occurrence both as authorized by the District and negotiated by the Parties.

Further, the District shall have the right to require, as a condition precedent to making any payment, evidence from the Contractor, in a form satisfactory to the District, that any indebtedness of the Contractor, as to services to the District, has been paid and that the Contractor has met all of the obligations with regard to the withholding and payment of taxes, Social Security payments, Workers' Compensation, Unemployment Compensation contributions, and similar payroll deductions from the wages of employees.

As soon as may be practicable at the beginning of each month, the Contractor shall invoice the District for all services performed in the prior month and any other sums due to the Contractor. The Contractor may cease performing services under this Agreement if any payment due hereunder is not paid within forty-five (45) days of the invoice date. Each monthly invoice will include such supporting information as the District may reasonably require the Contractor to provide.
- F. In the event there is a dispute regarding payment or Services, the District reserves the right to hold the portion of the payment in dispute, pending expeditious negotiation and resolution of the dispute in good faith by the Parties.

Any addendums to this agreement will not take effect unless the parties receive an opinion from bond counsel that the changes made thereby do not adversely affect the exclusion from gross income of interest on the bonds financing the managed property.
- D. At all times during operation of the Facilities and Amenities, Contractor shall ensure responsible and proper staffing levels that meet the provisions of law and best practices. The needs of other properties shall not trump the responsible staffing for provision of the Services required under this Agreement. - F. All Contractor employees or subcontractors shall either be employees hired directly by the Contractor, or sub-contractors who are hired and compensated by the Contractor (1099 individuals).

Contractor shall have sole authority as an independent Contractor in dealing with its employees and shall be solely responsible for all necessary insurance payments (including workers' compensation, as required by Florida law), payroll taxes and other deductions, and the provision of various benefits to its staff. Contractor shall be liable for the performance, or lack thereof, of employees of the District, of Contractor's employees and contractors, licensees, lessees and vendors that are within the Contractor's control. Contractor shall solely be responsible for oversight, control, direction and management of all personnel providing services or functions at the District and shall defend, hold the District harmless and indemnify the District against any employment or other related claims arising from the same. Such reimbursements shall be paid only in accordance with receipts for such costs provided to the District by Contractor. The Contractor shall to the best of its ability, avoid paying directly for items and seeking reimbursements, as the District provides a credit card for expenditures and has several accounts open for purchases.
- K.** Contractor shall require all applicable registration forms and waivers to be executed by any Patrons of the District (as defined in the *Policies Regarding Use of the District's Amenities*) prior to use of the Amenities and/or Facilities.

Further, Contractor shall take any action necessary to promptly comply with any and all orders or requirements affecting the Amenities and/or the Facilities placed thereon by any governmental authority having jurisdiction. this Agreement or upon sixty (60) days' written notice without cause. Contractor shall have the right to terminate this Agreement upon sixty (60) days' written notice to the District with or without cause. In the event either party terminates this Agreement, Contractor agrees to accept the balance due and owing to it at the effective date of termination for the work performed up to that date, subject to any offsets the District may have against Contractor. In addition to any other conditions and/or limitations set forth herein, the District shall be obligated to indemnify Contractor only if such indemnification obligation is covered by the District's insurance.

The provisions of this Section 11 shall survive the termination or expiration of this Agreement.

12. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages, injunctive relief, and/or specific performance. The District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Nothing contained herein shall limit or impair the District’s right to protect its rights from interference by a third party to this Agreement.

The provisions of this Section 13 shall survive termination of this Agreement.

15. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both Parties hereto.

WILFORD PRESERVE COMMUNITY DEVELOPMENT DISTRICT
NOTICE OF PUBLIC HEARING TO CONSIDER THE ADOPTION OF THE FY 2027 BUDGET;
NOTICE OF PUBLIC HEARING TO CONSIDER THE IMPOSITION OF OPERATIONS AND MAINTENANCE SPECIAL ASSESSMENTS, ADOPTION OF AN ASSESSMENT ROLL, AND THE LEVY, COLLECTION, AND ENFORCEMENT OF THE SAME, AND NOTICE OF REGULAR BOARD OF SUPERVISORS MEETING.
The Board of Supervisors ("Board") for the Wilford Preserve Community Development District ("District") will hold the following public hearings and regular meeting:

DATE: July 22, 2026
TIME: 6:00 PM
LOCATION: Plantation Oaks Amenity Center
815 Oakleaf Plantation Parkway
Orange Park, Florida 32065

The first public hearing is being held pursuant to Chapter 190, Florida Statutes, to receive public comment and objections on the District's proposed budget ("Proposed Budget") for the fiscal year beginning October 1, 2026, and ending September 30, 2027 ("FY 2027"). The second public hearing is being held pursuant to Chapters 190, Florida Statutes, to consider the imposition of operations and maintenance special assessments ("O&M Assessments") upon the lands located within the District to fund the Proposed Budget for FY 2027; to consider the adoption of an assessment roll; and to provide for the levy, collection, and enforcement of O&M Assessments. At the conclusion of the public hearings, the Board will, by resolution, adopt a budget and levy O&M Assessments as finally approved by the Board. A regular Board meeting of the District will also be held where the Board may consider any other District business that may properly come before it.

Description of Assessments

The District imposes O&M Assessments on benefited property within the District for the purpose of funding the District's general administrative, operations, and maintenance budget. A description of the services to be funded by the O&M Assessments, and the properties to be improved and benefited from the O&M Assessments, are all set forth in the Proposed Budget. A geographic depiction of the property potentially subject to the proposed O&M Assessments is identified in the map attached hereto. The table below shows the schedule of the proposed O&M Assessments, which are subject to change at the hearing:

Land Use	Total # of Units	EAU/ERU Factor	Proposed O&M Assessment Per Unit* (including collection costs / early payment discounts)
Residential Unit	835	1	\$1,220.84

*Includes collection costs and early payment discounts.

NOTE: THE DISTRICT RESERVES ALL RIGHTS TO CHANGE THE LAND USES, NUMBER OF UNITS, EQUIVALENT ASSESSMENT OR RESIDENTIAL UNIT ("EAU/ERU") FACTORS, AND O&M ASSESSMENT AMOUNTS AT THE PUBLIC HEARING, WITHOUT FURTHER NOTICE.

The proposed O&M Assessments as stated include collection costs and/or early payment discounts imposed on assessments collected by the Clay County ("County") Tax Collector on the tax bill. Moreover, pursuant to Section 197.3632(4), Florida Statutes, the lien amount shall serve as the "maximum rate" authorized by law for O&M Assessments, such that no public hearing on O&M Assessments shall be held or notice provided in future years unless the O&M Assessments are prepared to be increased or another criterion within Section 197.3632(4), Florida Statutes, is met. Note, the O&M Assessments do not include debt service assessments previously levied by the District, if any.

For FY 2027, the District intends to have the County Tax Collector collect the O&M Assessments imposed on certain developed property and will directly collect the O&M Assessments on the remaining benefited property, if any, by sending out a bill at least thirty (30) days prior to the first Assessment due date. It is important to pay your O&M Assessment because failure to pay will cause a tax certificate to be issued against the property which may result in loss of title or, for direct billed O&M Assessments, may result in a foreclosure action which also may result in a loss of title. The District's decision to collect O&M Assessments on the County tax roll or by direct billing does not preclude the District from later electing to collect those or other assessments in a different manner at a future time.

Additional Provisions

The public hearings and meeting are open to the public and will be conducted in accordance with the provisions of Florida law. A copy of the Proposed Budget, proposed assessment roll, and the agenda for the public hearings and meeting may be obtained at the offices of the District Manager, Governmental Management Services, LLC, 475 West Town Place, Suite 114, St. Augustine, Florida 32092, (904) 910-5850 ("District Manager's Office"), during normal business hours, or by visiting the District's website at <https://wilfordpreservecd.com>. The public hearings and meeting may be continued in progress to a date, time certain, and place to be specified on the record at the public hearings or meeting. There may be occasions when staff or board members may participate by speaker telephone.

Any person requiring special accommodations at the public hearings or meeting because of a disability or physical impairment should contact the District Manager's Office at least forty-eight (48) hours prior to the public hearings and meeting. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-933-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Manager's Office.

Please note that all affected property owners have the right to appear at the public hearings and meeting and may also file written objections with the District Manager's Office within twenty days of publication of this notice. Each person who decides to appeal any decision made by the Board with respect to any matter considered at the public hearings or meeting is advised that person will need a record of proceedings and that, accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.
